Item 8.01 Other Events

On June 8, 2011, Clear Channel Communications, Inc. (“CCU”), a subsidiary of CC Media Holdings, Inc., issued a press release made pursuant to Rule 135c promulgated under the Securities Act of 1933, as amended (the “Securities Act”), announcing that CCU intends to offer, subject to market and other conditions, an additional \$750 million in aggregate principal amount of 9.0% priority guarantee notes due 2021 (the “Notes”) in a private offering to be offered and sold only to qualified institutional buyers in an unregistered offering pursuant to Rule 144A under the Securities Act and to certain non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act. The Notes will have identical terms to, and are expected to be treated as a single class with, the \$1.0 billion in aggregate principal amount of 9.0% priority guarantee notes due 2021 issued by CCU on February 23, 2011.

The Notes will not be registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This current report on Form 8-K is neither an offer to sell nor the solicitation of an offer to buy the Notes or any other securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering, solicitation or sale would be unlawful.

A copy of the press release announcing the private offering of the Notes is Exhibit 99.1 hereto and is incorporated herein by reference.

Prior to completion of the offering of the Notes, CCU intends to make a voluntary paydown of all amounts outstanding under its receivables based credit facility using cash on hand. As of March 31, 2011, \$320.7 million was outstanding under this facility. CCU’s voluntary paydown will not reduce its commitments under this facility and CCU may reborrow under this facility at any time.
