Item 1.01 Entry into a Material Definitive Agreement

10.625% Priority Guarantee Notes due 2023

On February 26, 2015, iHeartCommunications, Inc. (the “Company”) completed the sale to several initial purchasers represented by Goldman, Sachs & Co. (the “Initial Purchasers”) of \$950.0 million in aggregate principal amount of its 10.625% Priority Guarantee Notes due 2023 (the “Notes”). The Initial Purchasers subsequently sold the Notes to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to persons outside of the United States pursuant to Regulation S under the Securities Act.

The Company used the gross proceeds from the offering to prepay at par \$916.1 million of the loans outstanding under its term loan B facility and \$15.2 million of the loans outstanding under its term loan C asset sale facility, to pay accrued and unpaid interest with regard to such loans to, but not including, the date of prepayment, and to pay fees and expenses related to the offering and the prepayment. The Company intends to use the remaining proceeds for general corporate purposes, including repayment of indebtedness.

Indenture

The Notes were issued pursuant to an indenture, dated as of February 26, 2015 (the “Indenture”), among the Company, iHeartMedia Capital I, LLC, the subsidiary guarantors named therein (collectively with iHeartMedia Capital I, LLC, the “Guarantors”), U.S. Bank National Association, as trustee, paying agent, registrar, authentication agent and transfer agent, and Deutsche Bank Trust Company Americas, as collateral agent (the “Collateral Agent”). The Notes mature on March 15, 2023 and bear interest at a rate of 10.625% per annum, payable semi-annually in arrears on March 15 and September 15 of each year, beginning on September 15, 2015.

The Notes and the Guarantors’ obligations under the guarantees are secured by (1) a lien on (a) the capital stock of the Company and (b) certain property and related assets that do not constitute “principal property” (as defined in the indenture governing the Company’s legacy notes), in each case equal in priority to the liens securing the obligations under the Company’s senior secured credit facilities and existing priority guarantee notes, and (2) a lien on the accounts receivable and related assets securing the Company’s receivables based credit facility junior in priority to the lien securing the Company’s obligations thereunder.

The Company may redeem the Notes at its option, in whole or part, at any time prior to March 15, 2018, at a price equal to 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest to the redemption date and plus an applicable premium. The Company may redeem the Notes, in whole or in part, on or after March 15, 2018, at the redemption prices set forth in the Indenture plus accrued and unpaid interest to the redemption date. At any time on or before March 15, 2018, the Company may elect to redeem up to 40% of the aggregate principal amount of the Notes at a redemption price equal to 110.625% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings.

The Indenture contains covenants that limit the Company’s ability and the ability of its restricted subsidiaries to, among other things: (i) pay dividends, redeem stock or make other distributions or investments; (ii) incur additional debt or issue certain preferred stock; (iii) transfer or sell assets; (iv) engage in certain transactions with affiliates; (v) create restrictions on dividends or other payments by the restricted subsidiaries; and (vi) merge, consolidate or sell substantially all of the Company’s assets. The Indenture contains covenants that limit iHeartMedia Capital I, LLC’s and the Company’s ability and the ability of its restricted subsidiaries to, among other things: (i) create liens on assets and (ii) materially impair the value of the security interests taken with respect to the collateral for the benefit of the Collateral Agent and the holders of the Notes. The Indenture also provides for customary events of default.

The description of the Notes and the Indenture contained in this Current Report on Form 8-K is qualified in its entirety by reference to the complete text of the Indenture, a copy of which is filed as Exhibit 4.1 hereto and is incorporated herein by reference.

Registration Rights Agreement

On February 26, 2015, in connection with the private placement of the Notes, the Company, the Guarantors and Goldman, Sachs & Co., on behalf of the Initial Purchasers, entered into an Exchange and Registration Rights Agreement (the "Registration Rights Agreement"). The terms of the Registration Rights Agreement require the Company and the Guarantors to (i) use their commercially reasonable efforts to file with the Securities and Exchange Commission within 210 days after the date of the initial issuance of the Notes, a registration statement with respect to an offer to exchange the Notes for a new issue of debt securities registered under the Securities Act, with terms substantially identical to those of the Notes (except for provisions relating to the transfer restrictions and payment of additional interest); (ii) use their commercially reasonable efforts to consummate such exchange offer within 270 days after the date of the initial issuance of the Notes; and (iii) in certain circumstances, file a shelf registration statement for the resale of the Notes. If the Company and the Guarantors fail to satisfy their registration obligations under the Registration Rights Agreement, then the Company will be required to pay additional interest to the holders of the Notes, up to a maximum additional interest rate of 0.50% per annum.

The foregoing is only a summary of the material terms of the Registration Rights Agreement and does not purport to be complete, and is qualified in its entirety by reference to the complete text of the Registration Rights Agreement, a copy of which is attached to this Current Report on Form 8-K as Exhibit 4.3 and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above relating to the Notes and the Indenture is incorporated by reference into this Item 2.03.

On February 26, 2015 the Company issued a press release announcing the consummation of the issuance of the Notes. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated in this Item 8.01 by reference.

In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) hereof, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above; provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Note prior to (x) the expiration of the Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903. Upon consummation of an Exchange Offer by the Issuer in accordance with Section 2.06(f) hereof, the requirements of this Section 2.06(b)(ii) shall be deemed to have been satisfied upon receipt by the Registrar of the instructions contained in the Letter of Transmittal delivered by the Holder of such beneficial interests in the Restricted Global Notes. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Registrar shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(h) hereof.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(ii) hereof and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in the 144A Global Note, a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; or

A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(ii) hereof and:

(A) such exchange or transfer is effected pursuant to the Exchange Offer in accordance with the Registration Rights Agreement and the holder of the beneficial interest to be transferred, in the case of an exchange, or the transferee, in the case of a transfer, certifies in the applicable Letter of Transmittal that it is not (1) an Exchanging Dealer, (2) a Person participating in the distribution of the Exchange Notes or (3) a Person who is an affiliate (as defined in Rule 144) of the Issuer;

(B) such transfer is effected pursuant to the Shelf Registration Statement in accordance with the Registration Rights Agreement;

(C) such transfer is effected by an Exchanging Dealer pursuant to the Exchange Offer Registration Statement in accordance with the Registration Rights Agreement; or

(D) the Registrar receives the following:

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (B) or (D) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Authentication Agent shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (B) or (D) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Definitive Notes.

(i) Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes. If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon the occurrence of any of the events in clause (i) or (ii) of Section 2.06(a) hereof and receipt by the Registrar of the following documentation:

(ii) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Sections 2.06(c)(i) (A) and (C) hereof, a beneficial interest in the Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) of the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(iii) Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes. A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only upon the occurrence of any of the events in subsection (i) or (ii) of Section 2.06(a) hereof and if:

(A) such exchange or transfer is effected pursuant to the Exchange Offer in accordance with the Registration Rights Agreement and the holder of such beneficial interest, in the case of an exchange, or the transferee, in the case of a transfer, certifies in the applicable Letter of Transmittal that it is not (1) an Exchanging Dealer, (2) a Person participating in the distribution of the Exchange Notes or (3) a Person who is an affiliate (as defined in Rule 144) of the Issuer;

(2) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder substantially in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iv) Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes. If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon the occurrence of any of the events in clause (i) or (ii) of Section 2.06(a) hereof and satisfaction of the conditions set forth in Section 2.06(b)(ii) hereof, the Authentication Agent shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(h) hereof, and the Issuer shall execute and the Authentication

Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(iv) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from or through the Depository and the Participant or Indirect Participant. The Authentication Agent shall mail such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(iv) shall not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests.

(i) Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(ii) Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if:

(B) such transfer is effected pursuant to the Shelf Registration Statement in accordance with the Registration Rights Agreement;

(C) such transfer is effected by an Exchanging Dealer pursuant to the Exchange Offer Registration Statement in accordance with the Registration Rights Agreement; or

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.06(d)(ii), the Authentication Agent shall cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Authentication Agent shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to subparagraph (ii)(B), (ii)(D) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Authentication Agent shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of

transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer or exchange in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06 (e):

(i) Restricted Definitive Notes to Restricted Definitive Notes. Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer shall be made to a QIB in accordance with Rule 144A, then the transferor must deliver a certificate substantially in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) any such transfer is effected pursuant to the Shelf Registration Statement in accordance with the Registration Rights Agreement;

(C) any such transfer is effected by an Exchanging Dealer pursuant to the Exchange Offer Registration Statement in accordance with the Registration Rights Agreement; or

(D) the Registrar receives the following:

(1) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder substantially in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(2) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder substantially in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (D), if the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) Exchange Offer. Upon the occurrence of the Exchange Offer in accordance with the Registration Rights Agreement, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Authentication Agent shall authenticate (i) one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of the beneficial interests in the Restricted Global Notes tendered for acceptance by Persons that certify in the applicable Letters of Transmittal that (x) they are not Exchanging Dealers, (y) they are not participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144) of the Issuer, and accepted for exchange in the Exchange Offer and (ii) Unrestricted Definitive Notes in an aggregate principal amount equal to the principal amount of the Restricted Definitive Notes tendered for acceptance by Persons that certify in the applicable Letters of Transmittal that (x) they are not Exchanging Dealers, (y) they are not participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144) of the Issuer, and accepted for exchange in the Exchange Offer. Concurrently with the issuance of such Notes, the Registrar shall cause the aggregate principal amount of the applicable Restricted Global Notes to be reduced accordingly, and the Issuer shall execute and the Authentication Agent shall authenticate and mail to the Persons designated by the Holders of Definitive Notes so accepted Unrestricted Definitive Notes in the applicable principal amount. Any Notes that remain outstanding after the consummation of the Exchange Offer, and Exchange Notes issued in connection with the Exchange Offer, shall be treated as a single class of securities under this Indenture.

(g) Legends. The following legends shall appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture:

(i) Private Placement Legend.

(h) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Authentication Agent in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Registrar or by the Depositary at the direction of the Registrar to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Registrar or by the Depositary at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Authentication Agent shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar’s request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer shall require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 3.09, 4.10, 4.14 and 9.05 hereof).

(iii) Neither the Registrar nor the Issuer shall be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Issuer shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of the sending of any notice of redemption of Notes under Section 3.02 hereof and ending at the close of business on the day of the sending, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part, (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date or (D) to register the transfer of or to exchange any Notes selected for redemption or tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest (including Special Interest, if any) on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vii) Upon surrender for registration of transfer of any Note at the office or agency of the Issuer designated pursuant to Section 4.02 hereof, the Issuer shall execute, and the Authentication Agent shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(viii) At the option of the Holder, subject to Section 2.06(a) hereof, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Authentication Agent shall authenticate and mail, the replacement Global Notes and Definitive Notes to which the Holder making the exchange is entitled in accordance with the provisions of Section 2.02 hereof.

(ix) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(x) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary Participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xi) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

Section 2.07 Replacement Notes.

If either (x) any mutilated Note is surrendered to the Authentication Agent, the Registrar or the Issuer, or (y) if the Issuer and the Authentication Agent receive evidence to their satisfaction of the ownership and destruction, loss or theft of any Note, then the Issuer shall issue and the Authentication Agent, upon receipt of an Authentication Order and satisfaction of any other requirements of the Authentication Agent, shall authenticate a replacement Note. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Authentication Agent and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer may charge for its expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Authentication Agent except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Registrar in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds such Note.

If a Note is replaced pursuant to Section 2.07 hereof, such Note shall cease to be outstanding unless the Authentication Agent receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, such Note shall cease to be outstanding and interest thereon shall cease to accrue.

If the Paying Agent (other than Holdings, the Issuer, a Subsidiary of the Issuer or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay any Notes payable on such date, then such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest on and after such date.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or any Affiliate of the Issuer, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in conclusively relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Issuer or any obligor upon the Notes or any Affiliate of the Issuer or such other obligor.

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Authentication Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as shall be reasonably acceptable to the Authentication Agent. Without unreasonable delay, the Issuer shall prepare and the Authentication Agent shall authenticate definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Issuer at any time may deliver Notes to the Authentication Agent for cancellation. The Registrar and Paying Agent shall forward to the Authentication Agent any Notes surrendered to them for registration of transfer, exchange or payment. The Authentication Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of cancelled Notes (subject to the record retention requirement of the Exchange Act) in its customary manner. Certification of the disposal of all cancelled Notes shall be delivered to the Issuer upon its request therefor. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Authentication Agent for cancellation.

Section 2.12 Defaulted Interest.

If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer shall notify the Paying Agent in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Paying Agent shall fix or cause to be fixed each such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Paying Agent shall notify the Issuer of such special record date promptly, and in any event at least 20 days before such special record date. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Paying Agent in the name and at the expense of the Issuer) shall send to each Holder a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of, in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.13 CUSIP Numbers.

The Issuer in issuing the Notes may use CUSIP numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers in notices of redemption as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall as promptly as practicable notify the Trustee in writing of any change in the CUSIP numbers.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

If the Issuer elects to redeem Notes pursuant to Section 3.07 hereof, it shall furnish to the Trustee with a copy to the Agents, at least 30 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Notes and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of the Notes to be redeemed, (iv) the redemption price and (v) if the redemption is conditioned upon the satisfaction of one or more conditions precedent, a statement to such effect and identifying the conditions.

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time pursuant to Article 3 of this Indenture, the Registrar, the Trustee or the Paying Agent shall select the Notes to be redeemed or purchased (a) if such Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which such Notes are listed or (b) on a pro rata basis to the extent practicable or, to the extent that selection on a pro rata basis is not practicable for any reason, by lot or by such other method as the Registrar shall deem appropriate or as required by the rules of the Depository. When the Notes are in global form and this Indenture requires Notes to be redeemed or purchased on a pro rata basis, the Notes to be so redeemed or purchased shall be selected in accordance with the applicable procedures of DTC. In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption date by the Registrar or the Paying Agent from the outstanding Notes not previously called for redemption or purchase.

The Trustee and Registrar shall promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$2,000 or integral multiples of \$1,000; no Notes of \$2,000 or less can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not in a principal amount of at least \$2,000 or an integral multiple of \$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 Notice of Redemption.

Subject to Section 3.09 hereof, the Issuer shall send notices of redemption at least 30 days but not more than 60 days before the purchase or redemption date to each Holder of Notes to be redeemed at such Holder's registered address, to the Trustee to forward to each Holder of Notes at such Holder's registered address (provided, that any such notice provided to the Trustee to forward shall be provided to the Trustee at least 15 days before the latest date such notice is required to be sent, unless a shorter notice shall be agreed to by the Trustee), or shall otherwise deliver on such time frame such notice in accordance with the procedures of DTC, except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with Article 8 or Article 12 hereof.

The notice shall identify the Notes to be redeemed (including CUSIP number(s)) and shall state:

(a) the redemption date;

(b) the redemption price;

(c) that if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed shall be issued in the name of the Holder of the Notes upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(h) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and

(i) if the redemption is conditioned upon the satisfaction of one or more conditions precedent, a statement to such effect and identifying the conditions.

At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; provided that the Issuer shall have delivered to the Trustee, at least 15 days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is sent in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price (except as provided in Section 3.07 hereof and in Section 5 of the Notes). The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the redemption date, interest shall cease to accrue on Notes or portions of Notes called for redemption.

Section 3.05 Deposit of Redemption or Purchase Price.

On the redemption or purchase date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest (including Special Interest, if any) on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest (including Special Interest, if any) on, all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Issuer shall issue and the Authentication Agent shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same indebtedness to the extent not redeemed or purchased; provided that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Authentication Agent to authenticate such new Note.

Section 3.07 Optional Redemption.

(c) On and after March 15, 2018, the Notes may be redeemed or purchased (by the Issuer or any other Person), at the Issuer's option, in whole or in part, upon notice as described in Section 3.03 hereof, at any time and from time to time at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below. The Issuer may provide in such notice that the payment of the redemption price and the performance of the Issuer's obligations with respect to such redemption may be performed by another Person and may, at the Issuer's discretion, be subject to one or more conditions precedent. The Notes will be redeemable at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below plus accrued and unpaid interest thereon to the applicable Redemption Date, subject to the right of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on March 15 of each of the years indicated below:

(f) The Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect thereto may be performed by another Person. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering.

Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest and Special Interest, if any, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(d) Upon the commencement of an Asset Sale Offer, the Issuer shall send a notice to each of the Holders, with a copy to the Trustee and the Registrar, or otherwise in accordance with the procedures of DTC. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the Borough of Manhattan, City of New York for such purposes. (c) In connection with the filings with the SEC required pursuant to clauses (1) and (2) above, in connection therewith, the Issuer shall provide notice of, and host, a conference call open to the public to discuss the results for the applicable period.

(e) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(f) Reports filed by the Issuer with the SEC via the EDGAR system will be deemed to be filed with the Trustee as of the time such reports are filed via EDGAR.

(b) When any Default has occurred and is continuing under this Indenture of which the Issuer is aware, or if the Trustee or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary of the Issuer gives any notice or takes any other action with respect to a claimed Default of which the Issuer is aware, the Issuer shall promptly (which shall be no more than five Business Days) deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer's Certificate specifying such event and what action the Issuer proposes to take with respect thereto.

Section 4.06 Stay, Extension and Usury Laws.

The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant (to the extent that they may lawfully do so) that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

(17) (a) any guarantee by the Issuer or a Restricted Subsidiary of Indebtedness or other obligations of any Restricted Subsidiary so long as the incurrence of such Indebtedness incurred by such Restricted Subsidiary is permitted under the terms of this Indenture, or

(b) any guarantee by a Restricted Subsidiary of Indebtedness of the Issuer; provided that, in each case, such Restricted Subsidiary shall comply with Section 4.15 hereof;

(18) Indebtedness of Foreign Subsidiaries of the Issuer in an amount not to exceed at any one time outstanding and together with any other Indebtedness incurred under this clause (18) \$250,000,000 (it being understood that any Indebtedness incurred pursuant to this clause (18) shall cease to be deemed incurred or outstanding for purposes of this clause (18) but shall be deemed incurred under Section 4.09(a) hereof from and after the first date on which such Foreign Subsidiary could have incurred such Indebtedness under Section 4.09(a) hereof without reliance on this clause (18), with such automatic reclassification subject to the \$750,000,000 limitation in the first paragraph of this covenant that Restricted Subsidiaries that are not Guarantors may not incur Indebtedness or issue Disqualified Stock or Preferred Stock if, after giving pro forma effect to such incurrence or issuance (including a pro forma application of the net proceeds therefrom), the availability as of such date of determination under the \$750,000,000 sublimit would be exceeded);

(19) Indebtedness consisting of Indebtedness issued by the Issuer or any of its Restricted Subsidiaries to future, current or former officers, directors, employees and consultants thereof or any direct or indirect parent thereof, their respective estates, heirs, family members, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Issuer, a Restricted Subsidiary or any of their respective direct or indirect parent companies to the extent described in clause (4) of Section 4.07(b) hereof;

(20) cash management obligations and Indebtedness in respect of netting services, employee credit card programs and similar arrangements in connection with cash management and deposit accounts; and

(21) customer deposits and advance payments received in the ordinary course of business from customers for goods purchased in the ordinary course of business.

(c) For purposes of determining compliance with this Section 4.09 and Section 4.12:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (21) of Section 4.09(b) hereof or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Issuer, in its sole discretion, may classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses of Section 4.09(b) hereof or under Section 4.09(a) hereof; provided, however, that (v) all Indebtedness outstanding under the Senior Credit Facilities on the Issue Date and the Issuer's 9.0% Priority Guarantee Notes due 2019 outstanding on the Issue Date will be treated as incurred under clause (1) of the preceding paragraph on the Issue Date, (w) the Indebtedness in respect of the CCWH Notes, Clear Channel Worldwide Holdings, Inc.'s 7.625% Series A Senior Subordinated Notes due 2020 and 7.625% Series B Senior Subordinated Notes due 2020 will be treated as incurred under clause (1) and/or clause (12)(b) of Section 4.09(b) on the Issue Date, (x) the CCWH Notes and any other Indebtedness that is incurred by a Restricted Subsidiary that is not a Guarantor under clause (1) shall not be reclassified, (y) any Secured Indebtedness being reclassified shall only be reclassified to the extent that the Lien is also permitted with respect to such Secured Indebtedness as so reclassified and (z) Indebtedness incurred or Disqualified Stock or Preferred Stock issued by Restricted Subsidiaries that are not Guarantors may be reclassified only to the extent that, after giving

effect to such reclassification, such Restricted Subsidiary that is not a Guarantor would be permitted to incur the Indebtedness or issue the Disqualified Stock or Preferred Stock as so reclassified on the date; and

(2) at the time of incurrence or any reclassification thereafter, the Issuer shall be entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Sections 4.09(a) and 4.09(b) hereof; provided, however, that (x) with respect to Secured Indebtedness, such Secured Indebtedness may only be classified or reclassified as a type of Indebtedness to the extent such Indebtedness may also be secured by a Lien under this Indenture and (y) with respect to such Indebtedness, Disqualified Stock and Preferred Stock of Restricted Subsidiaries that are not Guarantors, such Indebtedness, Disqualified Stock and Preferred Stock may only be classified or reclassified as a type of Indebtedness, Disqualified Stock or Preferred Stock to the extent such Restricted Subsidiary that is not a Guarantor may so incur such Indebtedness, Disqualified Stock or Preferred Stock under this Indenture on the date of classification or reclassification.

(d) Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, will not be deemed to be an incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock for purposes of this Section 4.09.

(e) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not (i) exceed the principal amount of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing.

(f) The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Issuer dated such date prepared in accordance with GAAP.

(g) The Issuer shall not, and shall not permit any Restricted Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is contractually subordinated or junior in right of payment to any Indebtedness of the Issuer or such Restricted Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Restricted Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated in right of payment to other Indebtedness of the Issuer or such Restricted Guarantor, as the case may be. For the purposes of this Indenture, (1) Indebtedness that is unsecured is not deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured, (2) unsubordinated Indebtedness is not deemed to be subordinated or junior to any other unsubordinated Indebtedness merely because it has a junior priority

with respect to the same collateral and (3) Indebtedness is not deemed to be subordinated or junior Indebtedness merely because it is structurally subordinated to other Indebtedness. All Indebtedness (other than the iHeartCommunications Mirror Note) owed to the Issuer by any Restricted Guarantor shall be unsecured and subordinated to the Secured Obligations pursuant to an intercompany note.

Section 4.10 Asset Sales.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; provided that the amount of:

(A) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes (or Guarantees) or that are owed to the Issuer or a Restricted Subsidiary, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(B) any securities, notes or other obligations or assets received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and

(C) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed \$300,000,000 at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value

shall be deemed to be cash for purposes of this provision and for no other purpose; and

(3) if such Asset Sale involves the disposition of Collateral,

(A) such Asset Sale complies with the applicable provisions of the Security Documents; and

(B) to the extent required by the Security Documents, all consideration received in such Asset Sale shall be expressly made subject to Liens under the Security Documents.

(b) Within 18 months after the receipt of any Net Proceeds of any Asset Sale by the Issuer or any Restricted Subsidiary, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

(1) to permanently reduce:

(A) Obligations constituting First Priority Lien Obligations under the General Credit Facilities (other than any General Credit Facilities that also constitute Public Debt) (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto);

(B) until the ABL Date, Obligations under the ABL Facility (and to correspondingly reduce commitments with respect thereto) so long as the Net Proceeds of the Asset Sale are with respect to ABL Collateral;

(C) Obligations under (i) the Notes (to the extent such purchases are at or above 100% of the principal amount thereof) or (ii) any other First Priority Lien Obligations of the Issuer or a Restricted Guarantor (and to correspondingly reduce commitments with respect thereto) if and to the extent required by the terms of such Obligations; provided that the Issuer shall equally and ratably reduce Obligations under the Notes as provided in Section 5 of each of the Notes and Section 3.02 hereof through open-market purchases (to the extent such purchases are at or above 100.0% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth in Section 3.09 and Section 4.10(c) hereof) to all Holders of Notes to purchase a pro rata amount of Notes at 100% of the principal amount thereof, plus accrued but unpaid interest; or

(D) Indebtedness of a Restricted Subsidiary that is not a Guarantor (and to correspondingly reduce commitments with respect thereto) so long as the Net Proceeds of the Asset Sale are with respect to assets owned by such Restricted Subsidiary that is not a Guarantor and the Net Proceeds of such Asset Sale are received by such Restricted Subsidiary as a result of an Asset Sale by such Restricted Subsidiary; or

(2) to (a) make an Investment in any one or more businesses, provided, however, that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or Restricted Subsidiary, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) acquire properties, (c) make capital expenditures or (d) acquire other assets that, in the case of each of clauses (a), (b), (c) and (d) either (x) are used or useful in a Similar Business or (y) replace the businesses, properties or assets that are the subject of such Asset Sale;

provided, however, that, in the case of clause (2) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within the later of 18 months after receipt of such Net Proceeds and 180 days following such commitment; provided further, however, that if such commitment is cancelled or terminated after the later of such 18 month or 180 day period for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds.

(c) Any Net Proceeds from any Asset Sale that are not invested or applied as provided and within the time period set forth in Section 4.10(b) hereof shall be deemed to constitute "Excess Proceeds," except the amount of Excess Proceeds will be reduced by an amount equal to the difference

between (x) the principal amount of the Notes offered to be purchased in a bona fide offer pursuant to Section 4.10(b)(1)(c) and (y) the principal amount of the Notes that were purchased pursuant to such offer. When the aggregate amount of Excess Proceeds with respect to the Notes exceeds \$100,000,000, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any other First Priority Lien Obligations, to the holder of such First Priority Lien Obligations (an “Asset Sale Offer”), to purchase the maximum aggregate principal amount of such Notes and the maximum aggregate principal amount (or accreted value, if less) of such First Priority Lien Obligations that is a minimum of \$2,000 or an integral multiple of \$1,000 thereof (in aggregate principal amount) that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or accreted value, if applicable) plus accrued and unpaid interest to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Issuer shall commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$100,000,000 by sending the notice required pursuant to the terms of this Indenture, with a copy to the Trustee or otherwise in accordance with the procedures of DTC. The Issuer, in its sole discretion, may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 18 month period (or such longer period provided above) or with respect to Excess Proceeds of \$100,000,000 or less.

To the extent that the aggregate principal amount of Notes and the aggregate principal amount (or accreted value, if applicable) of such First Priority Lien Obligations tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds with respect to the Notes, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to the other covenants contained in this Indenture and the Security Documents. If the aggregate principal amount of Notes and the aggregate principal amount (or accreted value, if applicable) of the First Priority Lien Obligations surrendered in an Asset Sale Offer exceeds the amount of Excess Proceeds with respect to the Notes, the Registrar or the Paying Agent shall select the Notes and the Issuer or the agent for such First Priority Lien Obligations shall select such other First Priority Lien Obligations to be purchased on a pro rata basis based on the principal amount of the Notes and the aggregate principal amount (or accreted value, if applicable) of such First Priority Lien Obligations tendered in accordance with Section 3.09 hereof. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(d) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility, including under any Senior Credit Facilities, or otherwise invest or apply such Net Proceeds in any manner not prohibited by this Indenture.

(e) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

Section 4.11 Transactions with Affiliates.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of their properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer

(each of the foregoing, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$20,000,000, unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis; and

(2) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$40,000,000, a resolution adopted by the majority of the Board of Directors approving such Affiliate Transaction and set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a).

(b) Section 4.11(a) hereof shall not apply to the following:

(1) transactions between or among the Issuer or any of its Restricted Subsidiaries;

(2) Restricted Payments permitted by Section 4.07 hereof and Investments constituting Permitted Investments;

(3) the payment of management, consulting, monitoring, transaction, advisory and termination fees and related expenses and indemnities, directly or indirectly, to the Investors, in each case pursuant to the Sponsor Management Agreement;

(4) the payment of reasonable and customary fees and compensation consistent with past practice or industry practices paid to, and indemnities provided on behalf of, employees, officers, directors or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;

(5) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis;

(6) any agreement as in effect as of the Issue Date (other than the Sponsor Management Agreement), or any amendment thereto (so long as any such amendment is not disadvantageous in any material respect in the good faith judgment of the Board of Directors to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date);

(7) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement, principal investors agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; provided, however, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous in any material respect in the good faith judgment of the Board of Directors to the Holders when taken as a whole;

(8) the Transactions and the payment of all fees and expenses related to the Transactions, including Transaction Expenses;

(9) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Issuer and its Restricted Subsidiaries, in the reasonable determination of the Board of Directors or the senior management thereof, or are on terms at least as favorable as would reasonably have been obtained at such time from an unaffiliated party;

(10) the issuance of Equity Interests (other than Disqualified Stock) by the Issuer or a Restricted Subsidiary;

(11) sales of accounts receivable, or participations therein, or Securitization Assets or related assets in connection with any Receivables Facility or any Qualified Securitization Financing;

(12) payments by the Issuer or any of its Restricted Subsidiaries to any of the Investors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures which payments are approved by a majority of the Board of Directors in good faith or as otherwise permitted by this Indenture;

(13) payments or loans (or cancellation of loans) to employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and employment agreements, severance arrangements, stock option plans and other similar arrangements with such employees or consultants which, in each case, are approved by a majority of the Board of Directors in good faith; and

(14) (a) Investments by the Investors in debt securities of the Issuer or any of its Restricted Subsidiaries and any payments in respect thereof so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities, and (b) payments in respect of any Public Debt of the Issuer or any Subsidiaries outstanding as of the Issue Date or Notes, in each case, held by Affiliates.

Section 4.12 Liens.

(a) Holdings and the Issuer shall not, and shall not permit any Restricted Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien that secures Obligations under any Indebtedness (other than a Permitted Lien) on any asset or property of Holdings, the Issuer or such Restricted Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom.

(b) At any time that any Restricted Subsidiary that is not a Restricted Guarantor incurs, assumes or suffers to exist any Lien that secures any First Priority Lien Obligation (other than the Secured Obligations) on any asset or property of such Restricted Subsidiary, the Issuer shall cause such Restricted Subsidiary to secure the Secured Obligations, on an equal and ratable basis, by the assets subject to such Liens, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such assets to the same extent and with the same force and effect as to the other Collateral.

(c) Notwithstanding the foregoing, Holdings and the Issuer will not, and the Issuer will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien (including Permitted Liens) on any asset or property of Holdings, the Issuer or such Restricted Subsidiary that secures Obligations under Indebtedness that is contractually senior in priority (without regard to control of remedies) to any security interest at any time granted to secure the Notes or the Guarantees and is also contractually junior in priority (without regard to control of remedies) to any security interest at any time granted to secure any other Indebtedness.

Section 4.13 Corporate Existence.

Subject to Article 5 hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, in accordance with its organizational documents (as the same may be amended from time to time).

Section 4.14 Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs, unless the Issuer has previously or concurrently sent a redemption notice with respect to all the outstanding Notes as set forth in Section 5 of each of the Notes and Section 3.03 hereof, the Issuer shall make an offer to purchase all of the Notes pursuant to the offer described below (the "Change of Control Offer") at a price in cash (the "Change of Control Payment") equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of the Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control, the Issuer shall send notice of such Change of Control Offer, with a copy to the Trustee, the Paying Agent and the Registrar, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 4.14, and that all Notes properly tendered pursuant to such Change of Control Offer shall be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent (the "Change of Control Payment Date");

(3) that any Note not properly tendered shall remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders shall be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes, provided that the Paying Agent receives, not later than the close of business on the fifth Business Day preceding the Change of Control Payment Date, a facsimile or electronic mail transmission (via pdf) or a letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that the Holders whose Notes are being repurchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to a minimum of \$2,000 and an integral multiple of \$1,000 in principal amount;

(8) if such notice is sent prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Issuer, consistent with this Section 4.14, that a Holder must follow.

The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (a) the notice is sent in a manner herein provided and (b) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder's failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect. The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase by the Issuer of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Indenture by virtue thereof.

(b) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Authentication Agent for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(c) The Issuer shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(d) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof.

Section 4.15 Limitation on Guarantees of Indebtedness by Restricted Subsidiaries.

The Issuer shall not permit any Restricted Subsidiary of the Issuer, other than a Restricted Guarantor or a Foreign Subsidiary guaranteeing not more than \$50,000,000 in aggregate principal amount of Indebtedness of the Issuer or any Guarantor, to guarantee the payment of any Indebtedness of the Issuer or any Guarantor unless:

(1) such Restricted Subsidiary within 30 days executes and delivers (i) a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Restricted Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or a related Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Restricted Guarantor's related Guarantee, and (ii) supplements to each then existing Security Document and/or one or more additional Security Documents pursuant to which such Restricted Subsidiary shall grant to the Collateral Agent a security interest in, and a Lien on, all of its title, rights and interest in, to and under assets that are of the type and kind constituting Collateral; and

(2) such Restricted Subsidiary shall within 30 days deliver to the Trustee an Opinion of Counsel reasonably satisfactory to the Trustee;

provided that this Section 4.15 shall not be applicable to (i) any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary, (ii) guarantees of any Qualified Securitization Financing by any Restricted Subsidiary and (iii) guarantees of Indebtedness of any Foreign Subsidiary by any other Foreign Subsidiary.

The Issuer may elect, in its sole discretion, to cause any Domestic Subsidiary that is not otherwise required to be a Restricted Guarantor to become a Restricted Guarantor, in which case such Domestic Subsidiary shall not be required to comply with the 30 day periods described in clauses (1) and (2) of this Section 4.15.

Section 4.16 Limitation on Modification of Existing Senior Notes.

The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, amend any of the Existing Senior Notes or any Existing Senior Notes Indenture, or any supplemental indenture in respect thereof, to create, incur or assume any Lien that secures any of the Existing Senior Notes other than to the extent permitted by the Senior Credit Facilities as in effect on the Issue Date.

Section 4.17 Impairment of Security Interest.

Holdings and the Issuer shall not, and shall not permit any Restricted Subsidiary to, take or knowingly or negligently omit to take, any action which action or omission might reasonably or would (in the good faith determination of the Issuer), have the result of materially impairing the value of the security interests taken as a whole (including the lien priority with respect thereto) with respect to the Collateral for the benefit of the Collateral Agent and the Holders of the Notes (including materially impairing

the lien priority of the Notes with respect thereto) (it being understood that any release permitted by the terms of this Indenture, the Security Documents or the Intercreditor Agreements and the incurrence of Permitted Liens shall not be deemed to so materially impair the security interests with respect to the Collateral).

Section 4.18 After-Pledged Property.

(a) With respect to After-Pledged Property of the Issuer or any Restricted Guarantor, the Issuer or such Restricted Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Collateral Agent a valid and perfected first-priority security interest, subject only to Permitted Liens, in such After-Pledged Property to secure the Secured Obligations and to have such After-Pledged Property added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Pledged Property to the same extent and with the same force and effect as to the other Collateral.

(b) The Issuer and the Guarantors shall, on a date that is not later than the earlier of the date on which the Lien in any Springing Lien Collateral is granted for the benefit of the General Credit Facilities or 60 days after the Springing Lien Trigger Date, execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Collateral Agent a valid and perfected first-priority security interest, subject only to Permitted Liens, in all the Springing Lien Collateral to secure the Secured Obligations; provided that, if only the events in clauses (3) and (4) of the definition of Springing Lien Trigger Date have occurred, only such of the Springing Lien Collateral as is subject to such Lien securing any Legacy Notes or the General Credit Facilities, as the case may be, shall be required to secure the Notes pursuant to this Section 4.18(b).

Section 4.19 Status as Designated Senior Indebtedness.

Holdings, the Issuer and each Restricted Guarantor will designate the Guarantee of each of such Guarantor as “Designated Senior Indebtedness” for all purposes under the Subordinated Guarantee Notes Indenture and the Trustee shall be the “Representative” of the Notes as such term is used in the Subordinated Guarantee Notes Indenture.

Section 4.20 Designation of Credit Facilities Indebtedness under the Credit Agreement Intercreditor Agreement.

With respect to any Indebtedness of the Issuer or a Restricted Guarantor outstanding under Credit Facilities, or any extension, refunding, refinancing or renewal thereof, that constitutes First Priority Lien Obligations under the Credit Agreement Intercreditor Agreement but is not Public Debt, the Issuer will cause the administrative agent or similar agent or representative under such Indebtedness to designate the obligations thereunder as the “Credit Agreement” for purposes of the Credit Agreement Intercreditor Agreement.

ARTICLE 5

SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of All or Substantially All Assets.

(a) The Issuer shall not consolidate or merge with or into or wind up into (whether or not the Issuer is the surviving corporation), nor shall the Issuer sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Restricted Subsidiaries, taken as a whole, in one or more related transactions, to (X) any Person (other than Holdings) unless:

(1) the Issuer is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (the Issuer or such Person, as the case may be, being herein called the "Successor Company"); provided that in the case where the Successor Company is not a corporation, a co-obligor of the Notes is a corporation;

(2) the Successor Company, if other than the Issuer, expressly assumes all the obligations of the Issuer under this Indenture, the Notes and the Security Documents pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period,

(A) the Successor Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in Section 4.09(a) hereof, or

(B) the Consolidated Leverage Ratio for the Successor Company and its Restricted Subsidiaries would be equal to or less than such Consolidated Leverage Ratio immediately prior to such consolidation or merger;

(5) each Restricted Guarantor, unless it is the other party to the transactions described above, in which case clause (1)(B) of Section 5.01(c) hereof shall apply, shall have by supplemental indenture confirmed that its Guarantee and security interest under the Security Documents shall apply to such Person's obligations under this Indenture, the Guarantee, the Notes and the Security Documents; and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture; or

(Y) Holdings.

(b) The Successor Company shall succeed to, and be substituted for, the Issuer under this Indenture, the Notes and the Security Documents, as applicable. Notwithstanding clauses (3) and (4) of Section 5.01(a) hereof,

(x) the Issuer or any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer or a Restricted Guarantor; and

(y) the Issuer may merge with an Affiliate of the Issuer (other than Holdings) solely for the purpose of reorganizing the Issuer in the United States, any state thereof, the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

(c) Subject to Section 10.06, no Restricted Guarantor shall, and the Issuer shall not permit any Restricted Guarantor to, consolidate or merge with or into or wind up into (whether or not the Issuer or such Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) (B) such Restricted Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than such Restricted Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is organized or existing under the laws of the jurisdiction of organization of such Restricted Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Restricted Guarantor or such Person, as the case may be, being referred to in this Section 5.01(c) and Section 5.01(d) as the “Successor Person”);

(C) the Successor Person, if other than such Restricted Guarantor, expressly assumes all the obligations of such Restricted Guarantor under this Indenture, such Restricted Guarantor’s related Guarantee and such Restricted Guarantor’s obligations related to the Security Documents, pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(D) immediately after such transaction, no Default exists; and

(E) the Issuer shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture; or

(2) the transaction complies with clauses (1) and (2) of Section 4.10(a) hereof.

(d) In the case of clause (1) of Section 5.01(c) hereof, the Successor Person shall succeed to, and be substituted for, such Restricted Guarantor under this Indenture, such Restricted Guarantor’s Guarantee and such Restricted Guarantor’s obligations under the Security Documents. Notwithstanding the foregoing, any Restricted Guarantor may (1) merge or consolidate with or into or wind up into or transfer all or part of its properties and assets to another Restricted Guarantor or the Issuer, (2) merge with an Affiliate of the Issuer solely for the purpose of reincorporating the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (3) convert into (which may be effected by merger with a Restricted Subsidiary that has substantially no assets and liabilities) a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Restricted Guarantor (which may be effected by merger so long as the survivor thereof is a Restricted Guarantor).

(e) Subject to Section 10.06, Holdings shall not consolidate or merge with or into or wind up into (whether or not Holdings is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to (X) any Person unless:

(1) (A) Holdings is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than Holdings) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is organized or existing under the laws of the jurisdiction of organization of Holdings, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (Holdings or such Person, as the case may be, being referred to in this Section 5.01(e) and Section 5.01(f) as the “Successor Person”);

(B) the Successor Person, if other than Holdings, expressly assumes all the obligations of Holdings under this Indenture, Holdings’ related Guarantee and Holding’s obligations related to the Security Documents, pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture; or

(2) the transaction complies with clauses (1) and (2) of Section 4.10(a) hereof; or

(Y) the Issuer or any direct or indirect subsidiary of the Issuer.

(f) In the case of clause (1) of Section 4.10(e), the Successor Person will succeed to, and be substituted for, Holdings under this Indenture, Holdings’ Guarantee and Holdings’ obligations under the Security Documents.

Section 5.02 Successor Corporation Substituted.

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer in accordance with Section 5.01 hereof, the successor corporation formed by such consolidation or into or with which the Issuer is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to the Issuer shall refer instead to the successor corporation and not to the Issuer), and may exercise every right and power of the Issuer under this Indenture with the same effect as if such Successor Person had been named as the Issuer herein; provided that the predecessor Issuer shall not be relieved from the obligation to pay the principal of and interest and Special Interest, if any, on the Notes except in the case of a sale, assignment, transfer, lease, conveyance or other disposition of all of the Issuer’s assets that meets the requirements of Section 5.01 hereof.

ARTICLE 6

DEFAULTS AND REMEDIES

Section 6.01 Events of Default.

(a) An “Event of Default” wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes;

(2) default for 30 days or more in the payment when due of interest on or with respect to the Notes;

(3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 25.0% in principal amount of the then outstanding Notes (with a copy to the Trustee) to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (1), (2) and (9) of this Section 6.01(a)) contained in this Indenture, the Security Documents or the Notes;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(a) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated final maturity; and

(b) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$100,000,000 or more at any one time outstanding;

(5) failure by the Issuer or any other Significant Party to pay final non-appealable judgments aggregating in excess of \$100,000,000, which final judgments remain unpaid, undischarged and unstayed for a period of more than 90 days after such judgments become final, and in the event such judgments are covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgments or decrees which is not promptly stayed;

(6) the Issuer or any other Significant Party, pursuant to or within the meaning of any Bankruptcy Law:

(i) commences proceedings to be adjudicated bankrupt or insolvent;

(ii) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy Law;

(iii) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(iv) makes a general assignment for the benefit of its creditors; or

(v) generally is not paying its debts as they become due;

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Issuer or any Significant Party in a proceeding in which the Issuer or any such Significant Party is to be adjudicated bankrupt or insolvent;

(ii) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any Significant Party, or for all or substantially all of the property of the Issuer or any Significant Party; or

(iii) orders the liquidation of the Issuer or any Significant Party;

and the order or decree remains unstayed and in effect for 60 consecutive days;

(8) the Guarantee of any Significant Party shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Party, as the case may be, denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture;

(9) the security interest in the Collateral created under any Security Document shall, at any time, cease to be in full force and effect and constitute a valid and perfected Lien with the priority required by this Indenture for any reason other than the satisfaction in full of all obligations under this Indenture and discharge of this Indenture or in accordance with the terms of the Intercreditor Agreements or the Security Documents or any security interest created under any Security Document shall be invalid or unenforceable, in each case, on any material portion of the Collateral purported to be covered thereby, or the Issuer or any Guarantor required to grant a security interest in Collateral shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and in each case such failure or such assertion shall have continued uncured or unrescinded for a period of 30 days; or

(10) failure of any Person required by the terms of this Indenture to be a Guarantor as of the Issue Date to execute a supplemental indenture to this Indenture within five Business Days following the Issue Date.

(b) In the event of any Event of Default specified in clause (4) of Section 6.01(a) hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

(1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or

(2) Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(3) the default that is the basis for such Event of Default has been cured.

Section 6.02 Acceleration.

If any Event of Default (other than an Event of Default specified in clause (6) or (7) of Section 6.01(a) hereof with respect to the Issuer) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 25.0% in principal amount of the then total outstanding Notes (with a copy to the Trustee) may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal, premium, if any, and interest shall be due and payable immediately. The Trustee shall have no obligation to accelerate the Notes if in the best judgment of the Trustee, acceleration is not in the best interest of the Holders of the Notes.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) or (7) of Section 6.01(a) hereof with respect to the Issuer, all outstanding Notes shall be due and payable without further action or notice.

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, waive any existing Default and its consequences under this Indenture (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder) and rescind any acceleration with respect to the Notes and its consequences (except if such rescission would conflict with any judgment of a court of competent jurisdiction). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

If a Default is deemed to occur solely as a consequence of the existence of another Default (the "Initial Default"), then, at the time such Initial Default is cured, the Default that resulted solely because of that Initial Default will also be cured without any further action.

Section 6.05 Control by Majority.

Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

Section 6.06 Limitation on Suits.

Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25.0% in principal amount of the total outstanding Notes have requested the Trustee to pursue the remedy;
- (3) Holders of the Notes have offered the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability, claim or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holder).

Section 6.07 Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, and Special Interest, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a)(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and Special Interest, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes including the Guarantors), its creditors or its property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

(i) to the Trustee and the Agents and their respective agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and any Agent and the costs and expenses of collection;

(ii) to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and Special Interest, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and Special Interest, if any, and interest, respectively; and

(iii) to the Issuer or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.13.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs; provided that if an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under this Indenture, the Notes and the Guarantees at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability, claim or expense.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders of the Notes unless the Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law or as the Trustee may agree in writing with the Issuer.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have knowledge or notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each Agent, custodian and any other Person employed to act hereunder.

(j) In the event the Issuer is required to pay Special Interest, the Issuer shall provide written notice to the Trustee of the Issuer's obligation to pay Special Interest no later than 15 days prior to the next Interest Payment Date, which notice shall set forth the amount of the Special Interest to be paid by the Issuer. The Trustee shall not at any time be under any duty or responsibility to any Holders to determine whether the Special Interest is payable or the amount thereof.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(l) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall send to Holders of Notes a notice of the Default within 90 days after it occurs. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest.

Section 7.06 Reports by Trustee to Holders of the Notes.

Within 60 days after each February 1, beginning with the February 1 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with Trust Indenture Act Section 313(a) (but if no event described in Trust Indenture Act Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Trust Indenture Act Section 313(b)(2). The Trustee shall also transmit by mail all reports as required by Trust Indenture Act Section 313(c).

A copy of each report at the time of its mailing to the Holders of Notes shall be mailed to the Issuer and filed with the SEC and each stock exchange on which the Notes are listed in accordance with Trust Indenture Act Section 313(d). The Issuer shall promptly notify the Trustee in writing when the Notes are listed on any stock exchange or delisted therefrom.

Section 7.07 Compensation and Indemnity.

The Issuer shall pay to the Trustee and any Agent from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse each of the Trustee and each Agent promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's or each such Agent's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify each of the Trustee and each Agent for, and hold each of the Trustee and each Agent harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuer or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). Each of the Trustee and each Agent shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee or any Agent to so notify the Issuer shall not relieve

the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee or applicable Agent may have separate counsel and the Issuer shall pay the fees and expenses of such counsel. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee or any Agent through such Person's own willful misconduct or negligence.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee or any Agent, as applicable.

To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, each of the Trustee and each Agent shall have a Lien prior to the Notes on all money or property held or collected by such Person, except money or property held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee or any Agent incurs expenses or renders services after an Event of Default specified in clause (6) or (7) of Section 6.01(a) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

The Trustee shall comply with the provisions of Trust Indenture Act Section 313(b)(2) to the extent applicable.

Section 7.08 Replacement of Trustee or Agent.

A resignation or removal of the Trustee or any Agent and appointment of a successor Trustee or any successor Agent shall become effective only upon the acceptance of appointment as provided in this Section 7.08 by such successor Trustee or successor Agent, as applicable. The Trustee or any Agent may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee or any Agent by so notifying the Trustee or such Agent and the Issuer in writing. The Issuer may remove the Trustee or any Agent if:

- (a) in the case of the Trustee, such Trustee fails to comply with Section 7.10 hereof;
- (b) the Trustee or such Agent is adjudged a bankrupt or an insolvent Person or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or such Agent or such Person's property; or
- (d) the Trustee or such Agent becomes incapable of acting.

If the Trustee or any Agent resigns or is removed or if a vacancy exists in the office of Trustee or any Agent for any reason, the Issuer shall promptly appoint a successor Trustee or successor Agent. Within one year after the successor Trustee or successor Agent takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee or successor Agent, as applicable, to replace such successor Trustee or successor Agent appointed by the Issuer.

If a successor Trustee or successor Agent does not take office within 60 days after the retiring Trustee or Agent, as applicable, resigns or is removed, the retiring Trustee or Agent (at the Issuer's expense), the Issuer or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee or successor Agent.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee or successor Agent shall deliver a written acceptance of its appointment to the retiring Trustee or Agent and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee or Agent shall become effective, and the successor Trustee or successor Agent shall have all the rights, powers and duties of the Trustee or the applicable Agent under this Indenture. The successor Trustee or successor Agent shall mail a notice of its succession to Holders. The retiring Trustee or Agent shall promptly transfer all property held by it as Trustee or Agent to the successor Trustee or successor Agent, as applicable; provided all sums owing to the retiring Trustee or Agent hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee or any Agent pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee or Agent.

Section 7.09 Successor Trustee by Merger, etc.

If the Trustee or any Agent consolidates, merges or converts into, or transfers all or substantially all of its corporate trust or relevant agent business, as applicable, to, another corporation, the successor corporation without any further act shall be the successor Trustee or successor Agent, as applicable.

Section 7.10 Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

Section 7.11 Preferential Collection of Claims Against Issuer.

The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

Section 7.12 Appointment of Collateral Agent.

(a) Each Holder (i) appoints Deutsche Bank Trust Company Americas to act as the Collateral Agent for purposes of the Security Documents, and (ii) irrevocably authorizes the Collateral Agent for and on its behalf to exercise the rights, powers and discretions which are specifically delegated to it by the terms of the Security Documents, together with all rights, powers and discretions that are incidental thereto and to give a good discharge for any moneys payable under the Security Documents.

(b) The Collateral Agent, in its capacity as such, shall not have, nor be deemed to have, assumed any obligations to, or trust or fiduciary relationship with, any party to this Indenture other than those for which specific provision is made by the Security Documents.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuer may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (a) and (b) below, to have satisfied all its other obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same) and to have cured all then existing Events of Default, except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture as referenced in Section 8.04 hereof;
- (b) the Issuer's obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and
- (d) this Section 8.02.

Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 Covenant Defeasance.

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants (each, a "Defeased Covenant", and collectively, the "Defeased Covenants") contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10,

4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17 and 4.18 hereof and clauses (4) and (5) of Section 5.01(a), Sections 5.01(c) and 5.01(d) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (“Covenant Defeasance”), and the Notes shall thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such Defeased Covenants, but shall continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any Defeased Covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such Defeased Covenant or by reason of any reference in any such Defeased Covenant to any other provision herein or in any other document, and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Issuer’s exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6) (solely with respect to any Significant Party), 6.01(a)(7) (solely with respect to any Significant Party) and 6.01(a)(8) hereof shall not constitute Events of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal amount of, premium, if any, and interest due on the Notes on the stated maturity date or on the redemption date, as the case may be, of such principal amount, premium, if any, or interest on such Notes, and the Issuer must specify whether such Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(a) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling,
or

(b) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Notes shall not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the Notes shall not recognize income, gain or loss for

U.S. federal income tax purposes as a result of such Covenant Defeasance and shall be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to such other Indebtedness, and in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any Senior Credit Facility or any other material agreement or instrument governing Indebtedness (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(7) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and Special Interest, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Issuer.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium and Special Interest, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium and Special Interest, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture, the Notes and the Security Documents shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided that, if the Issuer makes any payment of principal of, premium and Special Interest, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders of Notes.

Notwithstanding Section 9.02 hereof, the Issuer and the Trustee may amend or supplement this Indenture and the Notes, the Issuer, the Trustee and the Guarantors may amend or supplement any Guarantee issued under this Indenture, and the Issuer, the other Pledgors and the Collateral Agent may amend the Security Documents, in each case, without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency that does not materially adversely affect the interests of the Holders;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to comply with Section 5.01 hereof;
- (4) to provide for the assumption of the Issuer's or any Guarantor's obligations to the Holders in a transaction that complies with this Indenture;
- (5) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder;
- (6) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;

(7) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;

(8) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee thereunder pursuant to the requirements thereof;

(9) to add a Guarantor under this Indenture or to add to, or remove a limitation on, the Collateral;

(10) to conform the text of this Indenture or the Guarantees or the Notes to any provision of the "Description of the Notes" section of the Offering Circular to the extent that such provision in such "Description of the Notes" section was intended to be a verbatim recitation of a provision of this Indenture, Guarantee or Notes, as provided in an Officer's Certificate;

(11) to provide for the issuance of Additional Notes, Exchange Notes or private exchange notes, which are identical to Exchange Notes except that they are not freely transferable;

(12) to release the security interests on the Excluded Stock Collateral of a Restricted Subsidiary to the extent necessary, but only to the extent necessary, for such Restricted Subsidiary to not be subject to such requirement to provide separate financial statements;

(13) to provide for Permitted Liens;

(14) (a) (i) to make any amendment to the provisions of any Security Document as provided by the terms of such Security Document or (b) to make any other change to any Security Document that does not adversely affect the holders of the Notes in any material respect; or

(15) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of the Notes; provided, however, that (a) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Notes.

Upon the request of the Issuer accompanied by a resolution of the Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02(b) hereof (to the extent requested by the Trustee), the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into any such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, and delivery of an Officer's Certificate.

Section 9.02 With Consent of Holders of Notes.

Except as provided below in this Section 9.02, the Issuer and the Trustee may amend or supplement this Indenture, any Guarantee, the Notes and the Security Documents with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding, other than Notes beneficially

owned by the Issuer or any of its Affiliates, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes, and any existing Default or Event of Default or compliance with any provision of this Indenture or the Notes issued thereunder may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes, other than Notes beneficially owned by the Issuer or any of its Affiliates (including consents obtained in connection with a purchase of or tender offer or exchange offer for the Notes). Sections 2.08 and 2.09 hereof shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

Upon the request of the Issuer accompanied by a resolution of the Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02(b) hereof (to the extent requested by the Trustee), the Trustee shall join with the Issuer in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder of Notes, an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal amount of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of such Notes (other than provisions relating to Sections 3.09, 4.10 and 4.14 hereof);
- (3) reduce the rate of or change the time for payment of interest on any Note;
- (4) waive a Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration) or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of all affected Holders;
- (5) make any Note payable in money other than that stated therein;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;
- (7) make any change to this paragraph of this Section 9.02;

(8) impair the right of any Holder to receive payment of principal of, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(9) (a) make any change to the ranking of the Notes or (b) make any change to any provisions in the Security Documents or the Intercreditor Agreements or this Indenture dealing with the application of proceeds of Collateral, in each case that would adversely affect the Holders of the Notes;

(10) except as expressly permitted by this Indenture, modify the Guarantees of any Significant Party in any manner adverse to the Holders of the Notes; or

(11) after the Issuer's obligation to purchase Notes arises thereunder, amend, change or modify in any respect materially adverse to the Holders of the Notes the obligations of the Issuer to make and consummate a Change of Control Offer in the event of a Change of Control or make and consummate an Asset Sale Offer with respect to any Asset Sale that has been consummated or, after such Change or Control has occurred or such Asset Sale has been consummated, modify any of the provisions or definitions with respect thereto in a manner that is materially adverse to the Holders of the Notes.

Notwithstanding anything in this Indenture to the contrary no amendment or supplement to this Indenture or the Notes that modifies or waives the specific rights or obligations of any Agent may be made without the consent of such Agent (it being understood that the Trustee's execution of any such amendment or supplement shall constitute such consent if the Trustee is then also acting as such Agent).

Section 9.03 Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies with the Trust Indenture Act as then in effect.

Section 9.04 Revocation and Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

Section 9.05 Notation on or Exchange of Notes.

The Trustee and Agents may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Authentication Agent shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee and Agents shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee or Agents. The Issuer may not sign an amendment, supplement or waiver until its board of directors approves it. In executing any amendment, supplement or waiver, the Trustee and Agents shall be provided with and (subject to Section 7.01 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03 hereof). Notwithstanding the foregoing, no Opinion of Counsel shall be required for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture.

Section 9.07 Payment for Consent.

The Issuer shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that so consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

ARTICLE 10

GUARANTEES

Section 10.01 Guarantee.

Subject to this Article 10, from and after the consummation of the Transactions, each of the Guarantors hereby, jointly and severally, unconditionally guarantees on a senior basis to each Holder of a Note authenticated and delivered by the Authentication Agent and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that: (a) the principal of, and interest, premium and Special Interest, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders or the Trustee hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same shall

be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment by the Issuer when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of this Indenture or the Notes, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the Obligations of the Issuer hereunder and under the Notes). Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, then this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of any Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment (such net assets determined in accordance with GAAP).

Section 10.03 Execution and Delivery.

(a) To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that this Indenture (or a supplemental indenture pursuant to Section 4.15 hereof) shall be executed on behalf of such Guarantor by its President, one of its Vice Presidents or one of its Assistant Vice Presidents.

(b) Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(c) If an officer of a Guarantor whose signature is on this Indenture (or a supplemental indenture pursuant to Section 4.15 hereof) no longer holds that office at the time the Authentication Agent authenticates a Note, the Guarantee of such Guarantor shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

(e) If required by Section 4.15 hereof, the Issuer shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article 10, to the extent applicable.

Section 10.04 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01 hereof; provided

that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

Section 10.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

Section 10.06 Release of Guarantees.

(a) Except as provided below, a Guarantee by a Restricted Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Guarantor, the Issuer or the Trustee is required for the release of such Guarantor's Guarantee, upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of (i) the Capital Stock of such Restricted Guarantor (including any sale, exchange or transfer) after which the applicable Restricted Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all of the assets of such Restricted Guarantor, which sale, exchange or transfer is made in compliance with Sections 4.10(a)(1) and (2) hereof; provided, however, that, in each case, if such Restricted Guarantor, immediately prior thereto, was a guarantor of any First Priority Lien Obligation and continues after such sale, exchange or transfer to be a guarantor of any First Priority Lien Obligation, no such release shall occur;

(B) the release or discharge of the guarantee by such Restricted Guarantor of the General Credit Facilities or the guarantee of any other Indebtedness which resulted in the creation of such Guarantee, except a discharge or release (i) by or as a result of payment under such other guarantee or (ii) in connection with a replacement, refunding or refinancing of the General Credit Facilities or such other Indebtedness if Indebtedness or other obligations under such replacement, refunding or refinancing will be guaranteed by such Restricted Guarantor; provided, however, that if such Restricted Guarantor, immediately prior thereto, was a guarantor of any Indebtedness of the Issuer or any other Guarantor and continues after such designation to be a guarantor of any such Indebtedness, no such release shall occur;

(C) the designation of any Restricted Subsidiary that is a Restricted Guarantor as an Unrestricted Subsidiary in accordance with Section 4.07 and the definition of "Unrestricted Subsidiary"; provided, however, that if such Restricted Guarantor, immediately prior thereto, was a guarantor of any First Priority Lien Obligation and continues after such designation to be a guarantor of any First Priority Lien Obligation, no such release shall occur;

(D) the exercise by the Issuer of its legal defeasance option or covenant defeasance option as set forth in Article 8 hereof or the discharge of the Issuer's obligations under this Indenture in accordance with the terms set forth in Article 12 hereof; or

(E) such Restricted Guarantor ceasing to be a Restricted Subsidiary as a result of any other transaction or designation permitted hereunder; provided, however, that if such Restricted Guarantor, immediately prior thereto, was a guarantor of any First Priority Lien Obligation and continues after such cessation to be a guarantor of any First Priority Lien Obligation, no such release shall occur; and

(2) such Restricted Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(b) The Guarantee by Holdings shall be automatically and unconditionally released and discharged upon (1) any sale, exchange or transfer (by merger or otherwise) of all or substantially all of the assets of Holdings, which sale, exchange or transfer is made in a manner in compliance with the applicable provisions of this Indenture; provided, however, that if Holdings immediately prior thereto was a guarantor of other Indebtedness of the Issuer or another Guarantor and continues after such sale, exchange or transfer to be a guarantor of such other Indebtedness of the Issuer or another Guarantor, no such release shall occur, (2) the Issuer exercising its legal defeasance option or covenant defeasance option pursuant to Article 8 or (3) the Issuer's obligations under this Indenture being discharged in a manner in accordance with the terms of this Indenture.

(c) Notwithstanding anything to the contrary in clause (a) or (b) of this Section 10.06, if a Restricted Subsidiary has incurred any Indebtedness or issued any Disqualified Stock or Preferred Stock in reliance on its status as a Guarantor under Section 4.09, then its Guarantee shall only be released and discharged if its obligations under such Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, so incurred in reliance on its status as a Guarantor are satisfied in full and discharged or are otherwise permitted under the covenant described under Section 4.09 (other than Section 4.09(b)(13)).

ARTICLE 11

SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

This Indenture shall be discharged and shall cease to be of further effect as to all the Notes and the Security Documents and pledges thereunder will be released, when either:

(1) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Authentication Agent for cancellation; or

(2) (A) all Notes not theretofore delivered to the Authentication Agent for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, shall become due and payable within one year or are to be called for redemption and redeemed within one year under arrangements satisfactory to the Trustee, the Registrar and the Paying Agent for the giving of notice of redemption by the Trustee, the Registrar or the Paying Agent in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Paying Agent as trust funds in trust solely for the benefit of the Holders of the Notes cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Authentication Agent for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption thereof, as the case may be;

(B) no Default (other than that resulting from borrowing funds to be applied to make such deposit or any similar and simultaneous deposit relating to other Indebtedness and in each case, the granting of Liens in connection therewith) with respect to this Indenture or the Notes

shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under any Senior Credit Facilities or any other material agreement or instrument governing Indebtedness (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than resulting from any borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(C) the Issuer has paid or caused to be paid all sums payable by it under this Indenture; and

(D) the Issuer has delivered irrevocable instructions to the Trustee, the Registrar and the Paying Agent to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Paying Agent pursuant to subclause (A) of clause (2) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 hereof shall survive such satisfaction and discharge.

Section 11.02 Application of Trust Money.

Subject to the provisions of Section 8.06 hereof, all money deposited with the Paying Agent pursuant to Section 11.01 hereof shall be held in trust and applied by the Paying Agent, in accordance with the provisions of the Notes and this Indenture, to the payment, as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium and Special Interest, if any) and interest for whose payment such money has been deposited with the Paying Agent; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; provided that if the Issuer has made any payment of principal of, premium and Special Interest, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE 12

SECURITY DOCUMENTS

Section 12.01 Collateral and Security Documents.

(a) On and after the Issue Date, all the Secured Obligations shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Secured Obligations.

(b) The Trustee, the Collateral Agent and the Issuer hereby acknowledge and agree that the Collateral Agent holds the Liens created under the Security Documents as agent for the benefit of the Trustee and the Holders, in each case pursuant to the terms of the Security Documents.

(c) Each Holder, by accepting Notes, consents and agrees to the terms of the Intercreditor Agreements and the other Security Documents (including the provisions providing for foreclosure and release of Collateral), as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture, and authorizes and directs the Trustee and/or the Collateral Agent to enter into the Security Documents and to perform its obligations and exercise its rights thereunder in accordance therewith. Holdings and the Issuer shall deliver to the Trustee (if it is not itself then the Collateral Agent), promptly upon request, copies of all documents constituting the Security Documents or delivered to the Collateral Agent pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required to assure and confirm to the Trustee and the Collateral Agent the security interest in and a lien on the collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. Without limiting the foregoing, Holdings and the Issuer shall take, and shall cause Restricted Guarantors (or other Restricted Subsidiaries as contemplated by Section 4.12(b)) to take, any and all actions required to cause the Security Documents to create and maintain, as security for the Secured Obligations, a valid and enforceable perfected security interest in and Lien on all of their respective title, rights and interest in, to and under assets that are of the type and kind constituting Collateral (including any After-Pledged Property or Springing Lien Collateral required to become Collateral pursuant to Section 4.18) (subject to the terms of the Intercreditor Agreements), in favor of the Collateral Agent for the benefit of the Secured Parties.

Section 12.02 Releases of Collateral.

(a) Subject to subsection (b) of this Section 12.02, Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements or as provided hereby. The Issuer and the Guarantors will be entitled to a release of assets included in the Collateral from the Liens securing the Notes, and the same shall automatically be released from such Liens, and the Collateral Agent and the Trustee shall deliver such evidence of release as the Issuer or a Guarantor at the Issuer's sole cost and expense, under one or more of the following circumstances:

(i) to enable the Issuer or any of the Guarantors to consummate the disposition of property or assets to the extent not prohibited and otherwise in accordance with Section 4.10; provided, however, that if such property or assets, immediately prior thereto, were subject to any Lien securing any First Priority Lien Obligation and such property or assets continue after such disposition to be subject to a Lien securing any First Priority Lien Obligation, no such release shall occur with respect to such property or assets;

(ii) in respect of the property and assets of a Restricted Guarantor, upon the designation of such Restricted Guarantor as an Unrestricted Subsidiary in accordance with Section 4.07 and the definition of "Unrestricted Subsidiary"; provided, however, that if any property or assets of such Restricted Guarantor, immediately prior thereto, was subject to any Lien securing any First Priority Lien Obligation and such property or assets continue after such designation to be subject to a Lien securing any First Priority Lien Obligation, no such release shall occur;

(iii) in the case of the property and assets of a Restricted Guarantor, upon the release of such Restricted Guarantor from its Guarantee of the Notes;

(iv) pursuant to an amendment or waiver in accordance with Article 9 of this Indenture; or

(v) as otherwise required by any Intercreditor Agreement.

The Collateral Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer of any Collateral permitted to be released pursuant to this Indenture, the Security Documents or the Intercreditor Agreements. Any execution, delivery or acknowledgement pursuant to this Section 12.02 shall be without recourse to or warranty by the Collateral Agent.

(b) At any time when a Default has occurred and is continuing and the maturity of the Notes has been accelerated (whether by declaration or otherwise) and the Trustee (if not then the Collateral Agent) has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Security Documents will be effective as against the Holders, except as otherwise provided in the Intercreditor Agreements.

Section 12.03 Permitted Releases Not to Impair Lien.

The release of any Collateral from the terms hereof and of the Security Documents or the release of, in whole or in part, the Liens created by the Security Documents, will not be deemed to impair the security under this Indenture in contravention of the provisions hereof if and to the extent the Collateral or Liens are released pursuant to the applicable Security Documents or the terms of this Article 12. The Trustee and each of the Holders acknowledge that a release of Collateral or a Lien strictly in accordance with the terms of the Security Documents (including the Intercreditor Agreements) and of this Article 12 will not be deemed for any purpose to be in contravention of the terms of this Indenture. Any Person that is required to deliver an Officers' Certificate or Opinion of Counsel pursuant to Section 314(d) of the Trust Indenture Act shall be entitled to rely upon the foregoing as a basis for delivery of such certificate or opinion.

Section 12.04 Suits to Protect the Collateral.

Subject to the provisions of Article 7 hereof and the Intercreditor Agreements, the Trustee in its sole discretion and without the consent of the Holders, on behalf of the Holders, may or may direct the Collateral Agent to take all actions it deems necessary or appropriate in order to:

(a) enforce any of the terms of the Security Documents; and

(b) collect and receive any and all amounts payable in respect of the Secured Obligations.

Subject to the provisions of the Security Documents (including the Intercreditor Agreements), the Collateral Agent shall have power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Collateral Agent, in its sole discretion, may deem expedient to preserve or protect its interests and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or

order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Lien on the Collateral or be prejudicial to the interests of the Holders, the Collateral Agent or the Trustee).

Section 12.05 Authorization of Receipt of Funds by the Trustee Under the Security Documents.

Subject to the provisions of the Intercreditor Agreements, proceeds in respect of Collateral received by the Collateral Agent shall be passed on to the Trustee. The Trustee is authorized to receive any funds from the Collateral Agent for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 12.06 Purchaser Protected.

In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Collateral Agent or the Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 12 to be sold be under any obligation to ascertain or inquire into the authority of the Issuer or the applicable Guarantor to make any such sale or other transfer.

Section 12.07 Powers Exercisable by Receiver or Trustee.

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 12 upon the Issuer or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Guarantor or of any officer or officers thereof required by the provisions of this Article 12; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 12.08 Release Upon Termination of the Issuer's Obligations.

In the event that the Issuer delivers to the Trustee, in form and substance acceptable to it, an Officers' Certificate certifying that all the obligations under this Indenture, the Notes and the Security Documents have been duly defeased or satisfied and discharged by complying with the provisions of Article 8 and Section 7.07 or by the payment in full of the Issuer's obligations under the Notes, this Indenture and the Security Documents, and all such obligations have been so satisfied, the Trustee shall deliver to the Issuer and the Collateral Agent a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral (other than with respect to funds held by the Trustee pursuant to Article 8), and any rights it has under the Security Documents, and upon receipt by the Collateral Agent of such notice, the Collateral Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall do or cause to be done all acts reasonably necessary to release such Lien as soon as is reasonably practicable.

Section 12.09 Collateral Agent.

(a) Deutsche Bank Trust Company Americas shall initially act as Collateral Agent and shall be authorized to appoint co-Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or any Intercreditor Agreement, neither

the Collateral Agent nor any of its respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own willful misconduct, gross negligence or bad faith.

(b) At the request of the Issuer, in connection with the Incurrence by the Issuer or any Restricted Subsidiary of any Indebtedness permitted to be incurred under Section 4.09 constituting Pari Passu Indebtedness (including First Priority Lien Obligations) or Subordinated Indebtedness of the Issuer or any Guarantor, the Issuer, the relevant Restricted Subsidiaries and the Trustee and the Collateral Agent shall enter into, with the holder of such Indebtedness (or their duly authorized Representatives) an intercreditor agreement (“Additional Intercreditor Agreement”) with respect to Liens with junior priority to the Liens securing the Notes so long as the terms of such intercreditor agreements are no less favorable to the Holders of the Notes than such terms are to the lenders under the General Credit Facilities; provided that such Additional Intercreditor Agreement will not impose any personal obligations on the Trustee or, in the opinion of the Trustee, adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture or the Intercreditor Agreements.

(c) Notwithstanding any other provision of this Indenture or the Intercreditor Agreements, neither the Trustee nor the Collateral Agent shall have any responsibility for the validity, perfection, priority or enforceability of any Lien, Collateral or Security Document or other security interest and shall have no obligation to take any action to procure or maintain such validity, perfection, priority or enforceability, all such responsibilities and obligations being responsibilities and obligations of Holdings, the Issuer and the Restricted Subsidiaries as set forth in Section 12.01 or elsewhere in this Indenture.

Section 12.10 Filing, Recording and Opinions.

The Issuer shall comply with the provisions of Trust Indenture Act Sections 314(b) and 314(d), in each case following qualification of this Indenture pursuant to the Trust Indenture Act. Following such qualification, to the extent the Issuer is required to furnish to the Trustee an Opinion of Counsel pursuant to Trust Indenture Act Section 314(b)(2), the Issuer shall furnish such opinion not more than 60 but not less than 30 days prior to each September 30. Notwithstanding anything to the contrary herein, the Issuer and its Subsidiaries shall not be required to comply with all or any portion of Trust Indenture Act Section 314(d) if they determine, in good faith, that under the terms of that section and/or any interpretation or guidance as to the meaning thereof of the Commission or its staff, including “no action” letters or exemptive orders whether issued to the Issuer or any other Person, all or any portion of Section 314(d) of the Trust Indenture Act is inapplicable to the released Collateral. The Issuer’s right to rely on the above will be conditioned upon the Issuer’s delivering an Officer’s Certificate to the Trustee within 30 calendar days following the end of each six-month period beginning on June 15 and December 15 of each year, to the effect that all such releases and withdrawals during the preceding six-month period were in the ordinary course of the Issuer’s or the Guarantors’ business.

Any notice or communication shall also be so mailed to any Person described in Trust Indenture Act Section 313(c), to the extent required by the Trust Indenture Act. Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders.

If a notice or communication is mailed or otherwise delivered in the manner provided above within the time prescribed, such notice or communication shall be deemed duly given, whether or not the addressee receives it.

If the Issuer mails a notice or communication to Holders, it shall mail a copy to the Trustee and each Agent at the same time.

Section 13.03 Communication by Holders of Notes with Other Holders of Notes.

Holders may communicate pursuant to Trust Indenture Act Section 312(b) with other Holders with respect to their rights under this Indenture or the Notes. The Issuer, the Trustee, the Registrar and anyone else shall have the protection of Trust Indenture Act Section 312(c).

- (a) An Officer's Certificate in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.05 hereof) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(b) An Opinion of Counsel in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.05 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied;

provided that no Opinion of Counsel as set forth in clause (b) above shall be required in connection with the order of the Issuer to authenticate and deliver the Notes in the aggregate principal amount of \$950,000,000 on the date hereof pursuant to Section 2.02 hereof.

Section 13.05 Statements Required in Certificate or Opinion.

(a) a statement that the Person making such certificate or opinion has read such covenant or condition;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with (and, in the case of an Opinion of Counsel, may be limited to reliance on an Officer's Certificate as to matters of fact); and

(d) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with; provided, however, that with respect to matters of fact an Opinion of Counsel may rely on an Officer's Certificate or certificates of public officials;

provided, that an issuer of an Opinion of Counsel may reasonably rely as to any matter of fact on an Officer's Certificate or a certificate of a public official.

No past, present or future director, officer, employee, incorporator, member, partner or stockholder of the Issuer or any Guarantor or any of their direct or indirect parent companies shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or this Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 13.08 Governing Law.

THIS INDENTURE, THE NOTES, THE SECURITY DOCUMENTS AND ANY GUARANTEE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (OR, TO THE EXTENT REQUIRED, THE LAW OF THE JURISDICTION IN WHICH THE COLLATERAL IS LOCATED), WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THEREOF.

Section 13.09 Waiver of Jury Trial.

EACH OF THE ISSUER, THE GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 13.10 Force Majeure.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 13.14 Counterpart Originals.

The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. This Indenture may be executed in multiple counterparts which, when taken together, shall constitute one instrument. The exchange of copies of this Indenture and of signature pages thereto by facsimile or electronic mail transmission (via pdf) shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. The Trustee shall be entitled to receive from the Issuer and the Guarantors any such Officer's Certificates, Opinions of Counsel or other documentation as it may reasonably request in connection with any such qualification of this Indenture under the Trust Indenture Act.

Section 13.17 U.S.A. Patriot Act.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. 10.625% Priority Guarantee Notes due 2023

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. INTEREST. IHEARTCOMMUNICATIONS, INC., a Texas corporation (the “Issuer”), promises to pay interest on the principal amount of this Note at 10.625% per annum from February 26, 2015² until maturity and shall pay the Special Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. The Issuer shall pay interest and Special Interest, if any, semi-annually in arrears on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance[; provided that the first Interest Payment Date shall be September 15, 2015³]. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to 1.0% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Special Interest (without regard to any applicable grace period) at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. METHOD OF PAYMENT. The Issuer shall pay interest, and Special Interest, if any, on the Notes to the Persons who are registered Holders of the Notes at the close of business on the March 1 or September 1 (whether or not a Business Day), as the case may be, next preceding the Interest Payment Date, even if such Notes are canceled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Payment of interest and Special Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders, provided that payment by wire transfer of immediately available funds shall be required with respect to principal of and interest, premium and Special Interest, if any, on, all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to an account in the United States to the Issuer or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT, TRANSFER AGENT, AUTHENTICATION AGENT AND REGISTRAR. Initially, U.S. Bank National Association shall act as Paying Agent, Transfer Agent, Authentication Agent and Registrar. The Issuer may change any Paying Agent, Transfer Agent, Authentication Agent or Registrar without notice to the Holders. The Issuer or any of its Subsidiaries may act in any such capacity (other than Authentication Agent).

4. INDENTURE. The Issuer issued the Notes under an Indenture, dated as of February 26, 2015 (the “Indenture”), among the Issuer, the Guarantors party thereto, the Trustee, Paying Agent, Registrar, Authentication Agent and Transfer Agent and the Collateral Agent. This Note is one of a duly authorized issue of notes of the Issuer designated as its 10.625% Priority Guarantee Notes due 2023. The Issuer shall be entitled to issue Additional Notes pursuant to Sections 2.01 and 4.09 of the Indenture.

² With respect to the Initial Notes

³ With respect to the Initial Notes

The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”). The Notes are subject to all such terms, and Holders are referred to the Indenture and the Trust Indenture Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) Except as described below under Sections 5(b) and 5(c) below, the Notes shall not be redeemable at the Issuer’s option before March 15, 2018.

(b) At any time prior to March 15, 2018, the Notes may be redeemed or purchased (by the Issuer or any other Person), in whole or in part, upon notice as provided in Section 3.03 of the Indenture, at a redemption price equal to 100.0% of the principal amount of the Notes redeemed plus the Applicable Premium calculated by the Issuer as of the date of redemption (the “Redemption Date”) and, without duplication, accrued and unpaid interest to the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(c) Until March 15, 2018, the Issuer may, at its option, on one or more occasions, redeem up to 40.0% of the aggregate principal amount of Notes, upon notice provided as described in Section 3.03 of the Indenture, at a redemption price equal to 110.625% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon to the applicable Redemption Date, subject to the right of Holders of Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, with the net cash proceeds of one or more Equity Offerings to the extent such net cash proceeds are received by or contributed to the Issuer; provided that at least 50.0% of the sum of the aggregate principal amount of Notes originally issued under the Indenture on the Issue Date and any Additional Notes that are Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption; provided further that each such redemption occurs within 180 days of the date of closing of each such Equity Offering. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering, and any such redemption or notice may, at the Issuer’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering.

(d) On and after March 15, 2018, the Notes may be redeemed or purchased (by the Issuer or any other Person), at the Issuer’s option, in whole or in part, upon notice provided as described in Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon to the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on March 15 of each of the years indicated below:

<u>Year</u>	<u>Senior Cash Pay Notes Percentage</u>
2018	107.969%
2019	105.313%
2020	102.656%
2021 and thereafter	100.000%

(e) Any redemption of Notes pursuant to this Section 5 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture.

6. MANDATORY REDEMPTION. The Issuer shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

7. NOTICE OF REDEMPTION. Subject to Section 3.03 of the Indenture, notice of redemption shall be sent at least 30 days but not more than 60 days before the redemption date (except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with Article 8 or Article 12 of the Indenture) to each Holder whose Notes are to be redeemed at its registered address. Notes in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption.

8. OFFERS TO REPURCHASE.

(a) If a Change of Control occurs, unless the Issuer has previously or concurrently mailed a redemption notice with respect to all the outstanding Notes as set forth in Section 3.03 of the Indenture and Section 5 hereof, the Issuer shall make an offer to purchase all of the Notes pursuant to the offer described below (the “Change of Control Offer”) at a price in cash (the “Change of Control Payment”) equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of the Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. The Change of Control Offer shall be made in accordance with Section 4.14 of the Indenture.

(b) If the Issuer or any of its Restricted Subsidiaries consummates an Asset Sale, within ten Business Days of each date that Excess Proceeds exceed \$100,000,000, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any other First Priority Lien Obligations, to the holder of such First Priority Lien Obligations (an “Asset Sale Offer”), to purchase the maximum aggregate principal amount of such Notes and the maximum aggregate principal amount (or accreted value, if less) of such First Priority Lien Obligations that is a minimum of \$2,000 or an integral multiple of \$1,000 thereof (in aggregate principal amount) that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or accreted value, if applicable) plus accrued and unpaid interest to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate principal amount of Notes and the aggregate principal amount (or accreted value, if applicable) of such First Priority Lien Obligations tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds with respect to the Notes, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to the other covenants contained in the Indenture and the Security Documents. If the aggregate principal amount of Notes and the aggregate principal amount (or accreted value, if applicable) of the First Priority Lien Obligations surrendered in an Asset Sale Offer exceeds the amount of Excess Proceeds with respect to the Notes, the Registrar or the Paying Agent shall select the Notes and the Issuer or the agent for such First Priority Lien Obligations shall select such other First Priority Lien Obligations to be purchased on a pro rata basis based on the principal amount of the Notes and the aggregate principal amount (or accreted value, if applicable) of such First Priority Lien Obligations tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. Holders of Notes that are the subject of an offer to repurchase shall receive an Asset Sale Offer from the Issuer prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled “Option of Holder to Elect Purchase” attached to the Notes.

9. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not exchange or register the transfer of (x) any Notes during a period beginning at the opening of business 15 days before the day of mailing of any notice of redemption of Notes under Section 3.02 of the Indenture and ending at the close of business on the day of such mailing or (y) the mailing of any notice of redemption of any Notes selected for redemption or tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

10. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

11. AMENDMENT, SUPPLEMENT AND WAIVER. The Indenture, the Guarantees or the Notes may be amended or supplemented as provided in the Indenture.

12. DEFAULTS AND REMEDIES. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25.0% in principal amount of the then outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes shall become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under the Indenture except a continuing Default in payment of interest on, premium, if any, or the principal of, any of the Notes held by a non-consenting Holder. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required within five (5) Business Days after becoming aware of any Default, to deliver to the Trustee a statement specifying such Default and what action the Issuer proposes to take with respect thereto.

13. AUTHENTICATION. This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Authentication Agent.

14. ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES. In addition to the rights provided to Holders of Notes under the Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in the Registration Rights Agreement, dated as of February 26, 2015, among the Issuer, the Guarantors named therein and the other parties named on the signature pages thereof (the "Registration Rights Agreement"), including the right to receive Special Interest (as defined in the Registration Rights Agreement).

15. GOVERNING LAW. THE LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THE NOTES AND THE GUARANTEES, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THEREOF.

16. CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuer shall furnish to any Holder upon written request and without charge a copy of the Indenture and/or the Registration Rights Agreement. Requests may be made to the Issuer at the following address:

2. *Registration Under the Securities Act.*

(a) Except as set forth in Section 2(b) below, the Company and the Guarantors agree to use commercially reasonable efforts to file under the Securities Act, within 210 days after the Closing Date, a registration statement relating to an offer to exchange (such registration statement, the “*Exchange Registration Statement*,” and such offer, the “*Exchange Offer*”) any and all of the Securities for a like aggregate principal amount of debt securities issued by the Company and guaranteed by the Guarantors, which debt securities and guarantees will be substantially identical to the Securities and the related Guarantees, respectively (and are entitled to the benefits of the Indenture), except that they will have been registered pursuant to an effective registration statement under the Securities Act and will not contain provisions for Special Interest contemplated in Section 2(c) below (such new debt securities hereinafter called “*Exchange Securities*”). The Company and the Guarantors agree to use commercially reasonable efforts to cause the Exchange Registration Statement to be declared effective by the Commission under the Securities Act no later than 270 days after the Closing Date. The Exchange Offer will be registered under the Securities Act on the appropriate form and will comply with all applicable tender offer rules and regulations under the Exchange Act. Unless the Exchange Offer would not be permitted by applicable law or Commission policy, the Company further agrees to use commercially reasonable efforts to (i) commence the Exchange Offer promptly (but no later than 10 Business Days) following the Effective Time of such Exchange Registration Statement, (ii) hold the Exchange Offer open for at least 20 Business Days in accordance with Regulation 14E promulgated by the Commission under the Exchange Act and (iii) exchange Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn promptly following the expiration of the Exchange Offer. The Exchange Offer will be deemed to have been “completed” only (i) if the Exchange Securities and related guarantees received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are, upon receipt,

transferable by each such holder without restriction under the Securities Act and the Exchange Act and (ii) upon the Company having exchanged, pursuant to the Exchange Offer, Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn before the expiration of the Exchange Offer, which shall be on a date that is at least 20 and not more than 30 Business Days following the commencement of the Exchange Offer. The Company and the Guarantors agree, that upon request, they will (x) include in the Exchange Registration Statement a prospectus for use in any resale by any holder of Exchange Securities that is a broker-dealer and (y) keep such Exchange Registration Statement effective for a period (the “*Resale Period*”) beginning when Exchange Securities are first issued in the Exchange Offer and ending upon the earlier of the expiration of the 180th day after the Exchange Offer has been completed or such time as such broker-dealers no longer own any Registrable Securities. With respect to such Exchange Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Sections 6(a), (c), (d) and (e).

(b) If (i) on or prior to the time the Exchange Offer is completed the Company determines, upon advice of outside counsel, that existing law or Commission interpretations are changed such that the Exchange Securities or the related guarantees received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) the Effective Time of the Exchange Registration Statement is not within 270 days following the Closing Date and the Exchange Offer has not been completed within 30 Business Days of such Effective Time or (iii) any holder of Registrable Securities notifies the Company prior to the 20th Business Day following the completion of the Exchange Offer that: (A) it is prohibited by law or Commission policy from participating in the Exchange Offer, (B) it may not resell the Exchange Securities to the public without delivering a prospectus and the prospectus supplement contained in the Exchange Registration Statement is not appropriate or available for such resales, (C) it is a broker-dealer and owns Securities acquired directly from the Company or an affiliate of the Company or (D) it is an affiliate of the Company, then the Company and the Guarantors shall, in lieu of (or, in the case of clause (iii), in addition to) conducting the Exchange Offer contemplated by Section 2(a), file under the Securities Act no later than 30 days after the time such obligation to file arises (but no earlier than 210 days after the Closing Date), a “shelf” registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all of the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the “*Shelf Registration*” and such registration statement, the “*Shelf Registration Statement*”). The Company and the Guarantors agree to use commercially reasonable efforts to cause the Shelf Registration Statement to become or be declared effective no later than 90 days after such Shelf Registration Statement filing obligation arises (but no earlier than 270 days after the Closing Date); *provided*, that if at any time the Company is or becomes a “well-known seasoned issuer” (as defined in Rule 405) and is eligible to file an “automatic shelf registration statement” (as defined in Rule 405), then the Company and the Guarantors shall file the Shelf Registration Statement in the form of an automatic shelf registration statement as provided in Rule 405. The Company and the Guarantors agree to use commercially reasonable efforts to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of the second anniversary of the Effective Time or such time as there are no longer any Registrable Securities outstanding. No holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder. The Company and the Guarantors agree, after the Effective Time of the Shelf Registration Statement and promptly upon the request of any holder of Registrable Securities that is not then an Electing Holder, to use commercially reasonable efforts to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement (whether by post-effective amendment thereto or by filing a prospectus pursuant to Rules 430B and 424(b) under the Securities Act identifying such holder), *provided, however*, that nothing in this sentence shall relieve any such holder of the obligation to return a completed and

signed Notice and Questionnaire to the Company in accordance with Section 3(d)(iii). Notwithstanding anything to the contrary in this Section 2(b), upon notice to the Electing Holders, the Company may suspend the use or the effectiveness of such Shelf Registration Statement which shall not exceed 45 days in any three-month period or 90 days in any twelve-month period (a “*Suspension Period*”) if the Board of Directors of the Company determines that there is a valid business purpose for suspension of the Shelf Registration Statement; *provided* that the Company shall promptly notify the Electing Holders when the Shelf Registration Statement may once again be used or is effective.

(c) In the event that (i) the Company and the Guarantors have not filed the Shelf Registration Statement on or before the date on which such Shelf Registration Statement is required to be filed pursuant to Section 2(b), or (ii) the Exchange Registration Statement or Shelf Registration Statement has not become effective or been declared effective by the Commission on or before the date on which such registration statement is required to become or be declared effective pursuant to Section 2(a) or Section 2(b), respectively, or (iii) the Exchange Offer has not been completed within 30 Business Days after the Effective Time of the Exchange Registration Statement relating to the Exchange Offer (if the Exchange Offer is then required to be made) or (iv) any Exchange Registration Statement or Shelf Registration Statement required by Section 2(a) or Section 2(b) is filed and declared effective but shall thereafter either be withdrawn by the Company or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein, including, with respect to any Shelf Registration Statement, during any applicable Suspension Period in accordance with the last sentence of Section 2(b)) without being succeeded immediately by an additional or amended registration statement filed and declared effective (each such event referred to in clauses (i) through (iv), a “*Registration Default*” and each period during which a Registration Default has occurred and is continuing until the Exchange Offer is completed or the Shelf Registration statement is declared effective, a “*Registration Default Period*”), then, as liquidated damages for such Registration Default, subject to the provisions of Section 9(b), special interest (“*Special Interest*”), in addition to the Base Interest, shall accrue on all Registrable Securities then outstanding at a per annum rate of 0.25% for the first 90 days of the Registration Default Period and at a per annum rate of 0.50% thereafter for the remaining portion of the Registration Default Period. The accrual of Special Interest shall be the sole and exclusive remedy available to the holders of Registrable Securities for any Registration Default.

(d) Any reference herein to a registration statement or prospectus as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time; and any reference herein to any post-effective amendment to a registration statement or to any prospectus supplement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time.

3. *Registration Procedures*. If the Company and the Guarantors file a registration statement pursuant to Section 2(a) or Section 2(b), the following provisions shall apply:

(a) At or before the Effective Time of the Exchange Registration or any Shelf Registration, whichever may occur first, the Company shall qualify the Indenture under the Trust Indenture Act.

(b) In the event that such qualification would require the appointment of a new trustee under the Indenture, the Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(c) In connection with the Company's and the Guarantors' obligations with respect to the registration of Exchange Securities as contemplated by Section 2(a) (the "*Exchange Registration*"), if applicable, the Company and the Guarantors shall:

(i) use commercially reasonable efforts to prepare and file with the Commission an Exchange Registration Statement on any form which may be utilized by the Company and the Guarantors and which shall permit the Exchange Offer and resales of Exchange Securities by broker-dealers during the Resale Period to be effected as contemplated by Section 2(a), and use commercially reasonable efforts to cause such Exchange Registration Statement to become effective no later than 270 days after the Closing Date;

(ii) as soon as reasonably practicable prepare and file with the Commission such amendments and supplements to such Exchange Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Exchange Registration Statement for the periods and purposes contemplated in Section 2(a) and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Exchange Registration Statement, and promptly provide each broker-dealer holding Exchange Securities with such number of copies of the prospectus included therein (as then amended or supplemented), in conformity in all material respects with the requirements of the Securities Act and the Trust Indenture Act, as such broker-dealer reasonably may request prior to the expiration of the Resale Period, for use in connection with resales of Exchange Securities;

(iii) promptly notify each broker-dealer that has requested or received copies of the prospectus included in such Exchange Registration Statement, and confirm such advice in writing, (A) when such Exchange Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Exchange Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto or any request by the Commission for amendments or supplements to such Exchange Registration Statement or prospectus or for additional information, (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Exchange Registration Statement or the initiation or threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Company or any of the Guarantors contemplated by Section 5 cease to be true and correct in all material respects, (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Exchange Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (F) the occurrence of any event that causes the Company to become an "ineligible issuer" as defined in Rule 405, or (G) if at any time during the Resale Period when a prospectus is required to be delivered under the Securities Act, that such Exchange Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(iv) in the event that the Company and the Guarantors would be required, pursuant to Section 3(c)(iii)(G), to notify any broker-dealers holding Exchange Securities (except as otherwise permitted during any Suspension Period), the Company shall promptly prepare and furnish to each such holder a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of such Exchange Securities during the Resale Period, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(v) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Exchange Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(vi) use commercially reasonable efforts to (A) register or qualify the Exchange Securities under the securities laws or blue sky laws of such jurisdictions as are contemplated by Section 2(a) no later than the commencement of the Exchange Offer, to the extent required by such laws, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions until the expiration of the Resale Period, (C) take any and all other actions as may be reasonably necessary or advisable to enable each broker-dealer holding Exchange Securities to consummate the disposition thereof in such jurisdictions and (D) obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Exchange Registration, the Exchange Offer and the offering and sale of Exchange Securities by broker-dealers during the Resale Period; *provided, however*, that neither the Company nor the Guarantors shall be required for any such purpose to (1) qualify as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(c)(vi), (2) consent to general service of process in any such jurisdiction or become subject to taxation in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws or other governing documents or any agreement between it and its stockholders;

(vii) obtain a CUSIP number for all Exchange Securities, not later than the applicable Effective Time; and

(viii) make generally available to its securityholders no later than eighteen months after the Effective Time of such Exchange Registration Statement, an “earning statement” of the Company, the Guarantors and their respective subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder).

(d) In connection with the Company’s and the Guarantors’ obligations with respect to the Shelf Registration, if applicable, the Company and the Guarantors shall:

(i) prepare and file with the Commission, within the time periods specified in Section 2(b), a Shelf Registration Statement on any form which may be utilized by the Company and which shall register all of the Registrable Securities for resale by the holders thereof in accordance with such method or methods of disposition as may be specified by the holders of Registrable Securities as, from time to time, may be Electing Holders and use commercially reasonable efforts to cause such Shelf Registration Statement to become effective within the time periods specified in Section 2(b);

(ii) mail the Notice and Questionnaire to the holders of Registrable Securities (A) not less than 30 days prior to the anticipated Effective Time of the Shelf Registration Statement or (B) in the case of an “automatic shelf registration statement” (as defined in Rule 405), mail the Notice and Questionnaire to the holders of Registrable Securities not later than the Effective Time of such Shelf Registration Statement, and in any such case no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement, and no holder shall be entitled to use the prospectus forming a part thereof for resales of Registrable Securities at any time, unless and until such holder has returned a completed and signed Notice and Questionnaire to the Company;

(iii) after the Effective Time of the Shelf Registration Statement, upon the request of any holder of Registrable Securities that is not then an Electing Holder, promptly send a Notice and Questionnaire to such holder; *provided* that the Company shall not be required to take any action to name such holder as a selling securityholder in the Shelf Registration Statement or to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities until such holder has returned a completed and signed Notice and Questionnaire to the Company;

(iv) as soon as practicable prepare and file with the Commission such amendments and supplements to such Shelf Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Shelf Registration Statement for the period specified in Section 2(b) and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Shelf Registration Statement, and furnish to the Electing Holders copies of any such supplement or amendment simultaneously with or prior to its being used or filed with the Commission to the extent such documents are not publicly available on the Commission’s EDGAR System (or any successor system);

(v) comply with the provisions of the Securities Act with respect to the disposition of all of the Registrable Securities covered by such Shelf Registration Statement in accordance with the intended methods of disposition by the Electing Holders provided for in such Shelf Registration Statement;

(vi) provide the Electing Holders and not more than one counsel for all the Electing Holders the opportunity to participate in the preparation of such Shelf Registration Statement, each prospectus included therein or filed with the Commission and each amendment or supplement thereto;

(vii) for a reasonable period prior to the filing of such Shelf Registration Statement, and throughout the period specified in Section 2(b), make available at reasonable times at the Company’s principal place of business or such other reasonable place for inspection by the persons referred to in Section 3(d)(vi) who shall certify to the Company that they have a current intention to sell the Registrable Securities pursuant to the Shelf Registration such financial and other information and books and records of the Company and the Guarantors, and cause the officers, employees, counsel and independent certified public accountants of the Company and the Guarantors to respond to such inquiries, as shall be reasonably necessary (and in the case of counsel, not violate

an attorney-client privilege, in such counsel's reasonable belief), in the judgment of the respective counsel referred to in Section 3(d)(vi), to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; *provided, however*, that the foregoing inspection and information gathering on behalf of the Electing Holders shall be conducted by one counsel designated by the holders of at least a majority in aggregate principal amount of the Registrable Securities held by the Electing Holders at the time outstanding and *provided further* that each such party shall be required to maintain in confidence and not to disclose to any other person any information or records reasonably designated by the Company or the Guarantors as being confidential, until such time as (A) such information becomes a matter of public record (whether by virtue of its inclusion in such Shelf Registration Statement or otherwise), or (B) such person shall be required to disclose such information pursuant to a subpoena or order of any court or other governmental agency or body having jurisdiction over the matter (subject to the requirements of such order, and only after such person shall have given the Company prompt prior written notice of such requirement), or (C) such information is required to be set forth in such Shelf Registration Statement or the prospectus included therein or in an amendment to such Shelf Registration Statement or an amendment or supplement to such prospectus in order that such Shelf Registration Statement, prospectus, amendment or supplement, as the case may be, complies with applicable requirements of the federal securities laws and the rules and regulations of the Commission and does not contain an untrue statement of a material fact or omit to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(viii) promptly notify each of the Electing Holders and confirm such advice in writing, (A) when such Shelf Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Shelf Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto or any request by the Commission for amendments or supplements to such Shelf Registration Statement or prospectus or for additional information, (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Shelf Registration Statement or the initiation or threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Company or any of the Guarantors set forth in Section 5 cease to be true and correct in all material respects, (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (F) the occurrence of any event that causes the Company or any of the Guarantors to become an "ineligible issuer" as defined in Rule 405, or (G) if at any time when a prospectus is required to be delivered under the Securities Act, that such Shelf Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(ix) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(x) if requested by any Electing Holder, promptly incorporate in a prospectus supplement or post-effective amendment such information as is required by the applicable rules and regulations of the Commission and as such Electing Holder reasonably specifies should be included therein relating to the terms of the sale of such Registrable Securities, including information with respect to the principal amount of Registrable Securities being sold by such Electing Holder, the name and description of such Electing Holder, the offering price of such Registrable Securities and any discount, commission or other compensation payable in respect thereof and with respect to any other terms of the offering of the Registrable Securities to be sold by such Electing Holder; and make all required filings of such prospectus supplement or post-effective amendment promptly after notification of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(xi) furnish to each Electing Holder and the counsel referred to in Section 3(d)(vi) an executed copy (or a conformed copy) of such Shelf Registration Statement, each such amendment and supplement thereto (in each case including all exhibits thereto (in the case of an Electing Holder of Registrable Securities, upon request) and documents incorporated by reference therein) and such number of copies of such Shelf Registration Statement (excluding exhibits thereto and documents incorporated by reference therein unless specifically so requested by such Electing Holder) and of the prospectus included in such Shelf Registration Statement (including each preliminary prospectus and any summary prospectus), in conformity in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act to the extent such documents are not available through the Commission's EDGAR System (or any successor system), and such other documents, as such Electing Holder may reasonably request in order to facilitate the offering and disposition of the Registrable Securities owned by such Electing Holder and to permit such Electing Holder to satisfy the prospectus delivery requirements of the Securities Act; and subject to Section 3(e), the Company hereby consents to the use of such prospectus (including such preliminary and summary prospectus) and any amendment or supplement thereto by each such Electing Holder (subject to any applicable Suspension Period), in each case in the form most recently provided to such person by the Company, in connection with the offering and sale of the Registrable Securities covered by the prospectus (including such preliminary and summary prospectus) or any supplement or amendment thereto;

(xii) use commercially reasonable efforts to (A) register or qualify the Registrable Securities to be included in such Shelf Registration Statement under such securities laws or blue sky laws of such jurisdictions as any Electing Holder shall reasonably request, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions during the period the Shelf Registration Statement is required to remain effective under Section 2(b) and for so long as may be necessary to enable any such Electing Holder to complete its distribution of Registrable Securities pursuant to such Shelf Registration Statement, (C) take any and all other actions as may be reasonably necessary or advisable to enable each such Electing Holder to consummate the disposition in such jurisdictions of such Registrable Securities and (D) obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Shelf Registration or the offering or sale in connection therewith or to enable the selling holder or holders to offer, or to consummate the disposition of, their Registrable Securities; *provided, however*, that neither the Company nor the Guarantors shall be required for any such purpose to (1) qualify as a

foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(d)(xii), (2) consent to general service of process in any such jurisdiction or become subject to taxation in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws or other governing documents or any agreement between it and its stockholders;

(xiii) unless any Registrable Securities shall be in book-entry only form, cooperate with the Electing Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, which certificates, if so required by any securities exchange upon which any Registrable Securities are listed, shall be printed, penned, lithographed, engraved or otherwise produced by any combination of such methods, on steel engraved borders, and which certificates shall not bear any restrictive legends;

(xiv) obtain a CUSIP number for all Securities that have been registered under the Securities Act, not later than the applicable Effective Time;

(xv) notify in writing each holder of Registrable Securities of any proposal by the Company to amend or waive any provision of this Agreement pursuant to Section 9(h) and of any amendment or waiver effected pursuant thereto, each of which notices shall contain the text of the amendment or waiver proposed or effected, as the case may be; and

(xvi) make generally available to its securityholders no later than eighteen months after the Effective Time of such Shelf Registration Statement an "earning statement" of the Company and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder).

(e) In the event that the Company would be required, pursuant to Section 3(d)(viii)(G), to notify the Electing Holders, the Company shall promptly prepare and furnish to each of the Electing Holders a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of Registrable Securities, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing. Each Electing Holder agrees that upon receipt of any notice from the Company pursuant to Section 3(d)(viii)(G), such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Shelf Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Company, such Electing Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies, of the prospectus covering such Registrable Securities in such Electing Holder's possession at the time of receipt of such notice.

(f) In the event of a Shelf Registration, in addition to the information required to be provided by each Electing Holder in its Notice and Questionnaire, the Company may require such Electing Holder to furnish to the Company such additional information regarding such Electing Holder and such Electing Holder's intended method of distribution of Registrable Securities as may be required in order to comply with the Securities Act. Each such Electing Holder agrees to notify the Company as promptly as practicable of any inaccuracy or change in information

previously furnished by such Electing Holder to the Company or of the occurrence of any event in either case as a result of which any prospectus relating to such Shelf Registration contains or would contain an untrue statement of a material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities or omits to state any material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and promptly to furnish to the Company any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain, with respect to such Electing Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(g) Until the expiration of six months after the Closing Date, the Company will not, and will not permit any of its "affiliates" (as defined in Rule 144) to, resell any of the Securities that have been reacquired by any of them except pursuant to an effective registration statement, or a valid exemption from the registration requirements, under the Securities Act.

(h) As a condition to its participation in the Exchange Offer, each holder of Registrable Securities shall furnish, upon the request of the Company, a written representation to the Company (which may be contained in the letter of transmittal or "agent's message" transmitted via The Depository Trust Company's Automated Tender Offer Procedures, in either case contemplated by the Exchange Registration Statement) to the effect that (A) it is not an "affiliate" of the Company, as defined in Rule 405 of the Securities Act, or if it is such an "affiliate," it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable, (B) it is not engaged in and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offer, (C) it is acquiring the Exchange Securities in its ordinary course of business, (D) if it is a broker-dealer that holds Securities that were acquired for its own account as a result of market-making activities or other trading activities (other than Securities acquired directly from the Company or any of its affiliates), it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Securities received by it in the Exchange Offer, (E) if it is a broker-dealer, that it did not purchase the Securities to be exchanged in the Exchange Offer from the Company or any of its affiliates, and (F) it is not acting on behalf of any person who could not truthfully and completely make the representations contained in the foregoing subclauses (A) through (E).

4. *Registration Expenses.* The Company and the Guarantors agree to bear and to pay or cause to be paid promptly all expenses incident to the Company's performance of or compliance with this Agreement, including (a) all Commission and any FINRA registration, filing and review fees and expenses including reasonable fees and disbursements of counsel for the Eligible Holders in connection with such registration, filing and review, (b) all fees and expenses in connection with the qualification of the Registrable Securities and the Exchange Securities, as applicable, for offering and sale under the State securities and blue sky laws referred to in Section 3(d)(xii) and determination of their eligibility for investment under the laws of such jurisdictions as the Electing Holders may designate, including any reasonable fees and disbursements of not more than one counsel for the Electing Holders in connection with such qualification and determination, (c) all expenses relating to the preparation, printing, production, distribution and reproduction of each registration statement required to be filed hereunder, each prospectus included therein or prepared for distribution pursuant hereto, each amendment or supplement to the foregoing, the expenses of preparing the Securities or Exchange Securities, as applicable, for delivery and the expenses of printing or producing any selling agreements and blue sky or

legal investment memoranda and all other documents in connection with the offering, sale or delivery of Securities or Exchange Securities, as applicable, to be disposed of (including certificates representing the Securities or Exchange Securities, as applicable), (d) messenger, telephone and delivery expenses relating to the offering, sale or delivery of Securities or Exchange Securities, as applicable, and the preparation of documents referred in clause (c) above, (e) fees and expenses of the Trustee under the Indenture, any agent of the Trustee and any counsel for the Trustee and of any collateral agent or custodian, (f) internal expenses (including all salaries and expenses of the Company's officers and employees performing legal or accounting duties), (g) fees, disbursements and expenses of counsel and independent certified public accountants of the Company, (h) reasonable fees, disbursements and expenses of one counsel for the Electing Holders retained in connection with a Shelf Registration, as selected by the Electing Holders of at least a majority in aggregate principal amount of the Registrable Securities held by Electing Holders (which counsel shall be reasonably satisfactory to the Company), (i) any fees charged by securities rating services for rating the Registrable Securities or the Exchange Securities, as applicable, and (j) fees, expenses and disbursements of any other persons, including special experts, retained by the Company in connection with such registration (collectively, the "*Registration Expenses*"). To the extent that any Registration Expenses are incurred, assumed or paid by any holder of Registrable Securities, Securities or Exchange Securities, as applicable, the Company shall reimburse such person for the full amount of the Registration Expenses so incurred, assumed or paid promptly after receipt of supporting documentation and a request therefor. Notwithstanding the foregoing, the holders of the Registrable Securities being registered shall pay all agency fees and commissions and underwriting discounts and commissions, if any, and transfer taxes, if any, attributable to the sale of such Registrable Securities and Exchange Securities, as applicable, and the reasonable fees and disbursements of any counsel or other advisors or experts retained by such holders (severally or jointly), other than the counsel and experts specifically referred to above.

5. *Representations and Warranties.* Each of the Company and the Guarantors, jointly and severally, represents and warrants to, and agrees with, each Purchaser and each of the holders from time to time of Registrable Securities that:

(a) Each registration statement covering Registrable Securities, Securities or Exchange Securities, as applicable, and each prospectus (including any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(c) or Section 3(d) and any further amendments or supplements to any such registration statement or prospectus, when it becomes effective or is filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the prospectus, in light of the circumstances under which they were made) not misleading; and at all times subsequent to the Effective Time when a prospectus would be required to be delivered under the Securities Act, other than (A) from (i) such time as a notice has been given to holders of Registrable Securities pursuant to Section 3(c)(iii)(G) or Section 3(d)(viii)(G) until (ii) such time as the Company furnishes an amended or supplemented prospectus pursuant to Section 3(c)(iv) or Section 3(e) or (B) during any applicable Suspension Period, each such registration statement, and each prospectus (including any summary prospectus) contained therein or furnished pursuant to Section 3(c) or Section 3(d), as then amended or supplemented, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities expressly for use therein.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a), when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and none of such documents will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein (in light of the circumstances under which they were made) not misleading; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities expressly for use therein.

(c) The compliance by the Company and the Guarantors with all of the provisions of this Agreement and the consummation of the transactions herein contemplated will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company, the Guarantors or any of their respective subsidiaries is a party or by which the Company, the Guarantors or any of their respective subsidiaries is bound or to which any of the property or assets of the Company, the Guarantors or any of their respective subsidiaries is subject, (ii) result in any violation of the provisions of the certificate of incorporation, as amended, or the by-laws or other governing documents, as applicable, of the Company or the Guarantors or (iii) result in any violation of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company, the Guarantors or any of their respective subsidiaries or any of their respective properties except in the case of (i) and (iii) above, for such conflict, breach, or default as would not individually or in the aggregate be expected to result in a material adverse effect on the business, properties, condition (financial or other), results of operations or prospects of the Company, the Guarantors or any of their respective subsidiaries, taken as a whole; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the consummation by the Company and the Guarantors of the transactions contemplated by this Agreement, except (x) the registration under the Securities Act of the Registrable Securities and the Exchange Securities, as applicable, and qualification of the Indenture under the Trust Indenture Act, (y) such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or blue sky laws in connection with the offering and distribution of the Registrable Securities and the Exchange Securities, as applicable, and (z) such consents, approvals, authorizations, registrations or qualifications that have been obtained and are in full force and effect as of the date hereof.

(d) This Agreement has been duly authorized, executed and delivered by the Company and by the Guarantors.

6. Indemnification and Contribution.

(a) *Indemnification by the Company and the Guarantors.* The Company and the Guarantors, jointly and severally, will indemnify and hold harmless each of the holders of Registrable Securities included in an Exchange Registration Statement and each of the Electing Holders as holders of Registrable Securities included in a Shelf Registration Statement against any losses, claims, damages or liabilities, joint or several, to which such holder or such Electing Holder may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Exchange Registration Statement or any Shelf Registration Statement, as the case may be, under which such Registrable Securities or Exchange Securities were registered under the Securities

Act, or any preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433) contained therein or furnished by the Company to any such holder or any such Electing Holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of the prospectus, in light of the circumstances under which they were made) not misleading, and will reimburse each such holder and each such Electing Holder for any and all legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that neither the Company nor the Guarantors shall be liable to any such person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, or preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433), or amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by such person expressly for use therein.

(b) *Indemnification by the Electing Holders.* The Company may require, as a condition to including any Registrable Securities in any Shelf Registration Statement filed pursuant to Section 2(b), that the Company shall have received an undertaking reasonably satisfactory to it from each Electing Holder of Registrable Securities included in such Shelf Registration Statement, severally and not jointly, to (i) indemnify and hold harmless the Company, the Guarantors and all other Electing Holders of Registrable Securities included in such Shelf Registration Statement, against any losses, claims, damages or liabilities to which the Company, the Guarantors or such other Electing Holders may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such registration statement, or any preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433) contained therein or furnished by the Company to any Electing Holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of the prospectus, in light of the circumstances under which they were made) not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Electing Holder expressly for use therein, and (ii) reimburse the Company and the Guarantors for any legal or other expenses reasonably incurred by the Company and the Guarantors in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that no such Electing Holder shall be required to undertake liability to any person under this Section 6(b) for any amounts in excess of the dollar amount of the proceeds to be received by such Electing Holder from the sale of such Electing Holder’s Registrable Securities pursuant to such registration.

(c) *Notices of Claims, Etc.* Promptly after receipt by an indemnified party under subsection (a) or (b) above of written notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party pursuant to the indemnification provisions of or contemplated by this Section 6, notify such indemnifying party in writing of the commencement of such action; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under the indemnification provisions of or contemplated by Section 6(a) or Section 6(b). In case any such action shall be brought against any indemnified party and it shall notify an indemnifying party of the commencement thereof, such indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the

indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of any indemnified party. The indemnifying party shall not be required to indemnify the indemnified party for any amount paid or payable by the indemnified party in the settlement or compromise of, or entry into any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder unless such settlement, compromise or judgment is consented to by such indemnifying party, which consent shall not be unreasonably withheld or delayed.

(d) *Contribution.* If for any reason the indemnification provisions contemplated by Section 6(a) or Section 6(b) are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contributions pursuant to this Section 6(d) were determined by pro rata allocation (even if the holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 6(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 6(d), no Electing Holder shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such holder from the sale of any Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The holders' obligations in this Section 6(d) to contribute shall be several in proportion to the principal amount of Registrable Securities registered by them and not joint.

(e) The obligations of the Company and the Guarantors under this Section 6 shall be in addition to any liability which the Company or the Guarantors may otherwise have and shall extend, upon the same terms and conditions, to each officer, director and partner of each holder, each Electing Holder, and each person, if any, who controls any of the foregoing within the meaning of the Securities Act; and the obligations of the holders and the Electing Holders contemplated by this Section 6 shall be in addition

to any liability which the respective holder or Electing Holder may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company or the Guarantors and to each person, if any, who controls the Company or any of the Guarantors within the meaning of the Securities Act, as well as to each officer and director of the other holders and to each person, if any, who controls such other holders within the meaning of the Securities Act.

7. Underwritten Offerings. Each holder of Registrable Securities hereby agrees with the Company and each other such holder that no holder of Registrable Securities may participate in any underwritten offering hereunder unless (a) the Company gives its prior written consent to such underwritten offering, (b) the managing underwriter or underwriters thereof shall be designated by Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering, *provided* that such designated managing underwriter or underwriters is or are reasonably acceptable to the Company, (c) each holder of Registrable Securities participating in such underwritten offering agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the persons entitled selecting the managing underwriter or underwriters hereunder and (d) each holder of Registrable Securities participating in such underwritten offering completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements. The Company hereby agrees with each holder of Registrable Securities that, to the extent it consents to an underwritten offering hereunder, it will negotiate in good faith and execute all indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements, including using commercially reasonable efforts to procure customary legal opinions and auditor "comfort" letters.

8. Rule 144.

(a) Facilitation of Sales Pursuant to Rule 144. The Company and each of the Guarantors covenants to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, the Company and each of the Guarantors shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including the reports under Sections 13 and 15 (d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144. Upon the request of any holder of Registrable Securities in connection with that holder's sale pursuant to Rule 144, the Company and the each of Guarantors shall deliver to such holder a written statement as to whether it has complied with such requirements.

(b) Availability of Rule 144 Not Excuse for Obligations under Section 2. The fact that holders of Registrable Securities may become eligible to sell such Registrable Securities pursuant to Rule 144 shall not (1) cause such Securities to cease to be Registrable Securities or (2) excuse the Company's and the Guarantors' obligations set forth in Section 2 of this Agreement, including without limitation the obligations in respect of an Exchange Offer, Shelf Registration and Special Interest.

9. Miscellaneous.

(a) No Inconsistent Agreements. The Company and each of the Guarantors represents, warrants, covenants and agrees that it has not granted, and shall not grant, registration rights with respect to Registrable Securities, Exchange Securities or Securities, as applicable, or any other securities which would be inconsistent with the terms contained in this Agreement.

(b) *Specific Performance.* The parties hereto acknowledge that there would be no adequate remedy at law if the Company or the Guarantors fail to perform any of their obligations hereunder and that the Purchasers and the holders from time to time of the Registrable Securities may be irreparably harmed by any such failure, and accordingly agree that the Purchasers and such holders, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of the obligations of the Company and the Guarantors under this Agreement in accordance with the terms and conditions of this Agreement, in any court of the United States or any State thereof having jurisdiction. Time shall be of the essence in this Agreement.

(c) *Notices.* All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given when delivered by hand, if delivered personally, by facsimile or by courier, or three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: If to the Company, to it at 200 East Basse Road, San Antonio, TX 78209, Attention: General Counsel, and if to a holder, to the address of such holder set forth in the security register or other records of the Company, or to such other address as the Company or any such holder may have furnished to the other in writing in accordance herewith, except that notices of change of address shall be effective only upon receipt.

(d) *Parties in Interest.* All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto, the holders from time to time of the Registrable Securities and the respective successors and assigns of the foregoing. In the event that any transferee of any holder of Registrable Securities shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits of, and be conclusively deemed to have agreed to be bound by all of the applicable terms and provisions of this Agreement. If the Company shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all of the applicable terms hereof.

(e) *Survival.* The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, any director, officer or partner of such holder, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Purchase Agreement, the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer.

(f) ***Governing Law.* This Agreement shall be governed by and construed in accordance with the laws of the State of New York.**

(g) *Headings.* The descriptive headings of the several Sections and paragraphs of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

(h) *Entire Agreement; Amendments.* This Agreement and the other writings referred to herein (including the Indenture and the form of Securities) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. This Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written

instrument duly executed by the Company and the holders of at least a majority in aggregate principal amount of the Registrable Securities at the time outstanding. Each holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) *Inspection.* For so long as this Agreement shall be in effect, this Agreement and a complete list of the names and addresses of all the record holders of Registrable Securities, to the extent known by the Company following reasonable inquiry, shall be made available for inspection and copying on any Business Day by any holder of Registrable Securities for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities under the Securities, the Indenture and this Agreement) at the offices of the Company at the address thereof set forth in Section 9(c) and at the office of the Trustee under the Indenture.

(j) *Counterparts.* This Agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

(k) *Severability.* If any provision of this Agreement, or the application thereof in any circumstance, is held to be invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of such provision in every other respect and of the remaining provisions contained in this Agreement shall not be affected or impaired thereby.

If the foregoing is in accordance with your understanding, please sign and return to us one for the Company and the Representative plus one for each counsel counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Purchasers, this letter and such acceptance hereof shall constitute a binding agreement between each of the Purchasers, the Guarantors and the Company. It is understood that your acceptance of this letter on behalf of each of the Purchasers is pursuant to the authority set forth in a form of Agreement among Purchasers, the form of which shall be submitted to the Company for examination upon request, but without warranty on your part as to the authority of the signers thereof.

“An issuer filed a Form S-3 registration statement for a secondary offering of common stock which is not yet effective. One of the selling shareholders wanted to do a short sale of common stock “against the box” and cover the short sale with registered shares after the effective date. The issuer was advised that the short sale could not be made before the registration statement becomes effective, because the shares underlying the short sale are deemed to be sold at the time such sale is made. There would, therefore, be a violation of Section 5 if the shares were effectively sold prior to the effective date.”

By returning this Notice and Questionnaire, the undersigned Selling Securityholder will be deemed to be aware of the foregoing interpretation.

**IHEARTCOMMUNICATIONS, INC. ANNOUNCES CLOSING OF OFFERING
OF 10.625% PRIORITY GUARANTEE NOTES DUE 2023**

San Antonio, Texas, February 26, 2015. iHeartCommunications, Inc. (“iHeartCommunications”) announced today the closing of its previously announced offering of \$950.0 million aggregate principal amount of its 10.625% Priority Guarantee Notes due 2023 (the “Notes”).

The Notes are fully and unconditionally guaranteed on a senior secured basis by iHeartCommunications’ parent, iHeartMedia Capital I, LLC, and all of iHeartCommunications’ existing and future material wholly-owned domestic restricted subsidiaries. The Notes and the related guarantees are secured by (1) a lien on (a) the capital stock of iHeartCommunications and (b) certain property and related assets that do not constitute “principal property” (as defined in the indenture governing iHeartCommunications’ legacy notes), in each case equal in priority to the liens securing the obligations under iHeartCommunications’ senior secured credit facilities and existing priority guarantee notes and (2) a lien on the accounts receivable and related assets securing iHeartCommunications’ receivables based credit facility junior in priority to the lien securing iHeartCommunications’ obligations thereunder.

iHeartCommunications used the gross proceeds from the offering to prepay at par \$916.1 million of the loans outstanding under its term loan B facility and \$15.2 million of the loans outstanding under its term loan C asset sale facility, to pay accrued and unpaid interest with regard to such loans to, but not including, the date of prepayment and to pay fees and expenses related to the offering and the prepayment. iHeartCommunications intends to use the remaining proceeds for general corporate purposes, including repayment of indebtedness.

The Notes and related guarantees were offered only to “qualified institutional buyers” in reliance on the exemption from registration pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to persons outside of the United States in compliance with Regulation S under the Securities Act. The Notes and the related guarantees were not registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from the Securities Act and applicable state securities or blue sky laws and foreign securities laws.
